Parents and Carers,

Possible reopening of school to more pupils in June

You will have seen in the news that schools may reopen on 1st June to Reception, Year 1 and Year 6 pupils **if** the government thinks it's safe to do so.

We have received some guidance and advice from the Government which is helping us to create an action plan for our phased reopening. We'll share this with you as soon as possible so you know what your school's reopening will look like in practice.

It's a very unsettling time for everyone, but please rest assured that we're doing everything we can to make sure we're ready to receive these year groups if it's safe for our school to reopen in the coming weeks.

However, we're not going to be pressuring anyone to send their children to school, since you know your children and personal situation best. We'll keep you updated with all our preparations for making sure the school is as safe as possible, so you can make an informed decision.

In the meantime, the school is still open **only** for vulnerable pupils and the children of critical workers. We know some employers will be encouraging you to return to work, but we're not in a position right now to extend places to other children until we receive further government guidance.

We'd like to thank you for your continuous support in helping your child learn from home. We'll need to keep going with this for a while yet, so please do continue to do what you can and stay in touch with us about how your child is doing.

In the meantime, if you have questions or concerns please get in touch with your school. Alternatively, you can reach the Trust through the website contact form.

Yours,
