

Understanding of the World

During this term, the children will learn about the differences between a mammals, an amphibians, insects and birds. They will describe the life process of reproduction in some plants and animals. They will describe the changes to humans as they turn to old age.

What we are learning:

The topic for this term is 'Homes and their Inhabitants'. We will consider what a home is and how our homes can shape the people we become.

Literacy and Communication

In English, your child will be reading the text 'Way Home'. They will explore the text and create an information piece about homelessness and its effects on society.

PE

This term, the children will learn competitive games, learning how to apply basic principals appropriate to attacking and defending.

Music

To play and perform in group and solo context, using their voices.

Homes and their Inhabitants

Upper Key Stage 2 -

The circle of life- Is it the same for all living things?

Physical, Emotional Health and Well Being

The children will learn how to protect themselves online and identify images which are appropriate to be shared online.

Maths:

In Year 5 and 6, the children will be learning about measurement and statistics, learning how to use these skills in a variety of real-life contexts.

Expressive Arts and Design

This term, the children will have the opportunity to create a healthy smoothie. They will look at creating a design and creating an ingredient list. The children will have the opportunity to create and taste their own smoothies.

Home Learning Opportunities:

Home reading is essential to developing your child's reading. Please encourage your child to take part in the 10 minutes a day reading challenge.

In addition, if you could practise any tables and division facts with your child this will really help them as these facts form an important part of the maths curriculum.

The home learning challenges will be provided on a grid, where your child can choose which they want to complete.

Thank you for your ongoing support
