## Cougar Class

Over the summer we have had confirmation that Mrs Smith has started a treatment plan that will last a few months. She will not return to work until after February half term in the first instance.

Mrs Fleming, Mrs Cook and Mrs Stevens will take the class. We all wish Mrs Smith the very best for her recovery and look forward to seeing her back here in the future.

## Reading

This remains a priority at Elliston Academy as it impacts positively on your child's learning. We thank you for supporting us by reading regularly at home with your child.

## PE Kit

- Black shorts
- White rounded neck top
- Black plimsolls

Please could all PE kit be left in school so children have their kit when needed. We will then send it home at the end of each half term for you to wash.
