

To Year 6, on the week that should have been your SATS, a message to let you know how proud of you all we are.

To all Y6's

As SAT's weeks arrives it's not quite the same,
The tests that were printed this year never came,
Working walls all still up; full of Maths and English rules,
As the classrooms stand vacant in school.

For some of you, happiness, lots of relief,
For others a sigh of pure disbelief,
That you've worked hard in advance of this week
For Expected and Greater Depth marks, you did seek.

Algebra, fractions, the times table drills,
Inference, retrieval, in-depth reading skills,
Past, present, progressive... and all the SPAG terms,
You've practiced and mastered them all through the years.

Fear not though, the SATs, yes, won't happen this term,
But remember, test don't measure everything you learn,
Primary subject are varied; you've always tried your best,
Many of the skills that you've gained, can't be defined by a test.

So here we are, you've made us so proud,
We sit here with pride and we shout this aloud...
'Year 6 you amaze us, you've come incredibly far...
We don't need a test to see just how amazing you are!'
