

I'm sure you are aware there is a sporting event on Sunday night – past the bedtime of many of our children!

We know that some schools are not opening until 10.30am on the Monday but, at Elliston, we believe that it is an important life skill to have an occasional late night and still go to work/school the next day.

Elliston will be open at the usual time and children are expected in at the usual time. We know they will be tired but we are prepared for that and will be planning a day to accommodate a reduction in concentration! We will also be watching the highlights!!

Things you can do to help –

- get them to bed early tonight and Saturday night
- have a restful day on Sunday

Hopefully we will see you all bright and early on Monday morning and if you or your children are struggling to get up, please ring school. Don't allow them to have the whole day off – get in as soon as you can. The admin team will still ring if your child is not in school by 9.30am

We believe the children should watch the match (if you want them to), it's a great occasion whether we win or lose and there's lots to learn from it. We have a school full of children who are far more knowledgeable about countries, London, Wembley, flags etc than we did before the Euros started.

Thank you for your support and..... **IT'S COMING HOME!!!!!!**
