
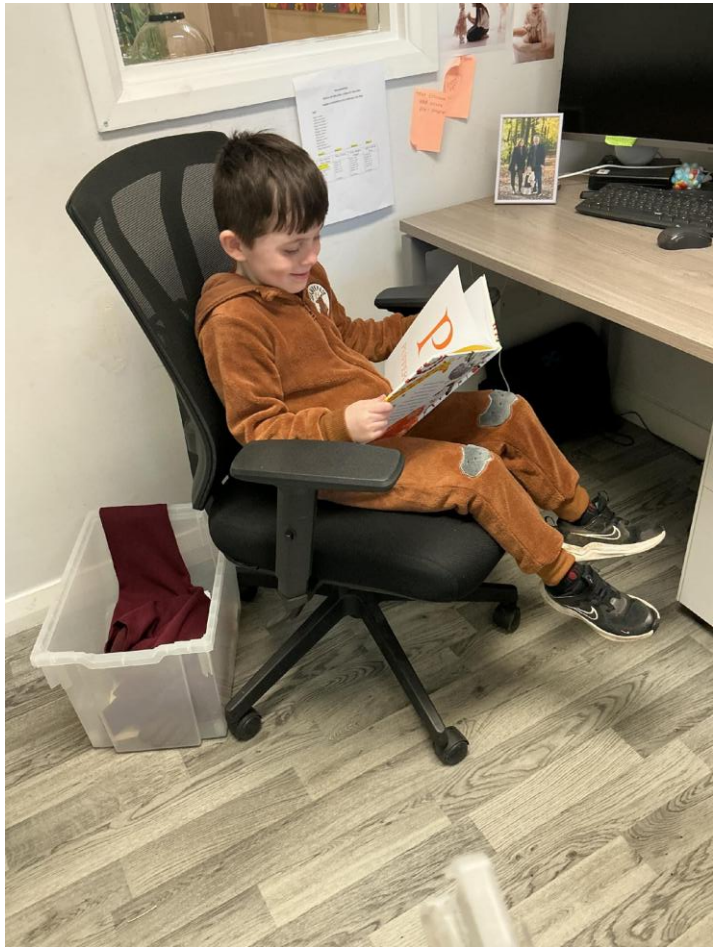
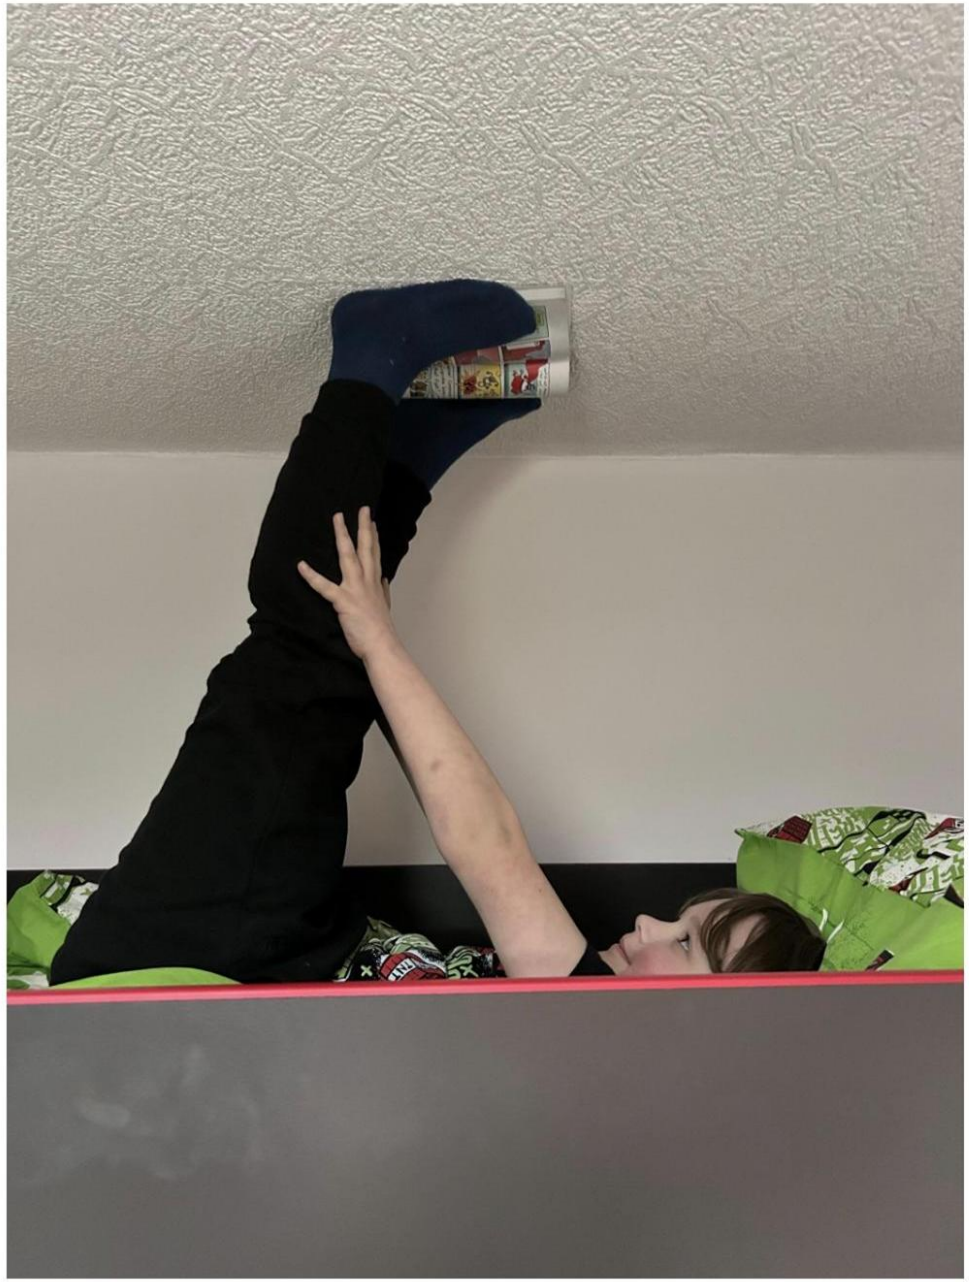
At Elm Tree, we read….

EVERYWHERE!



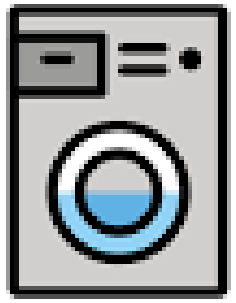
At our Teacher's desk!

Even… Mr Lamb's (when he isn't here!)



With our books on the ceilings and using our feet to turn the pages!

In our washing Machine?!



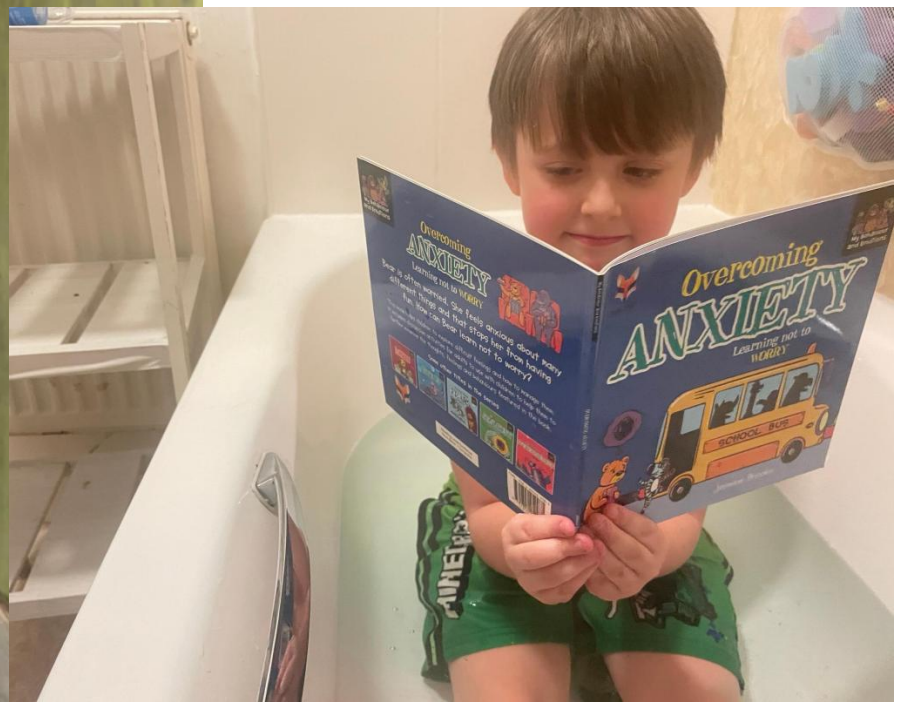
In swimming goggles and a sleeping bag?!

Even on a Horse!

Sometimes… in the sink!

Up a tree!?

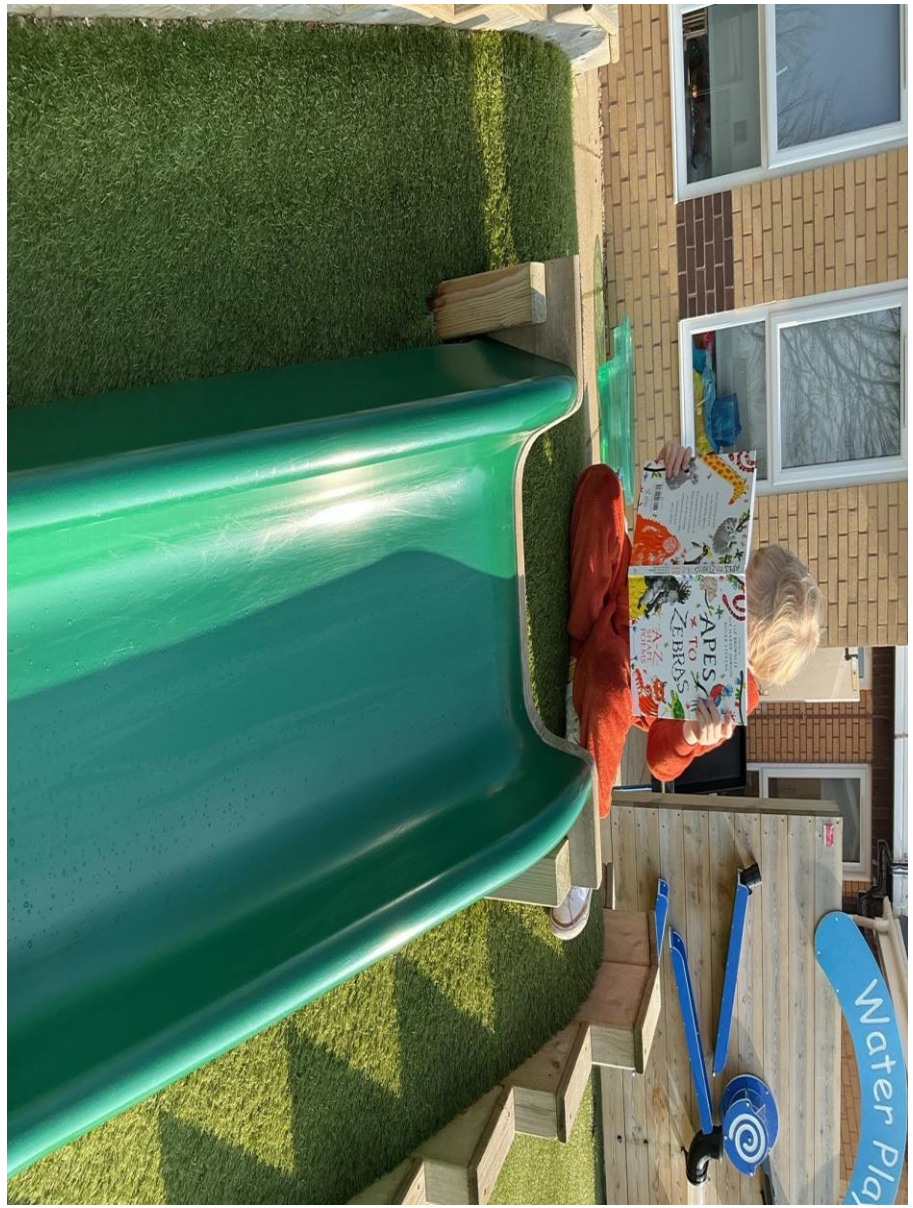
Or relaxing in a nice bath!



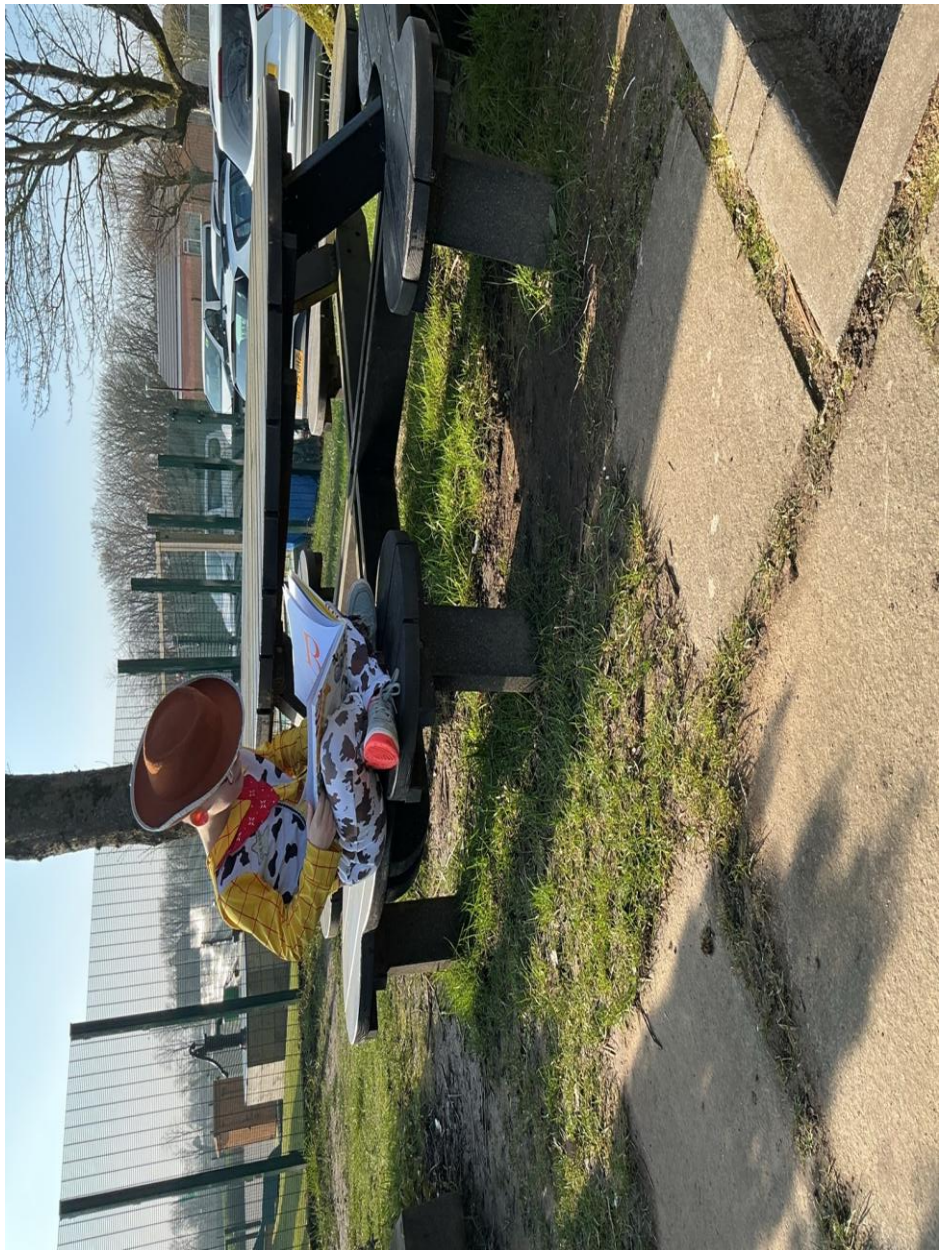
Or why not a tank!?

Or on the monkey bars!

Sometimes, in our recycling bins…



Even on the slide!

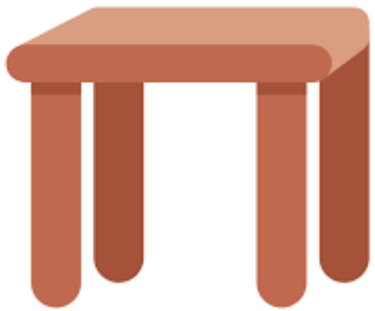


And relaxing on a bench, enjoying a book and the sunshine!

Standing up dressed as ZOG!

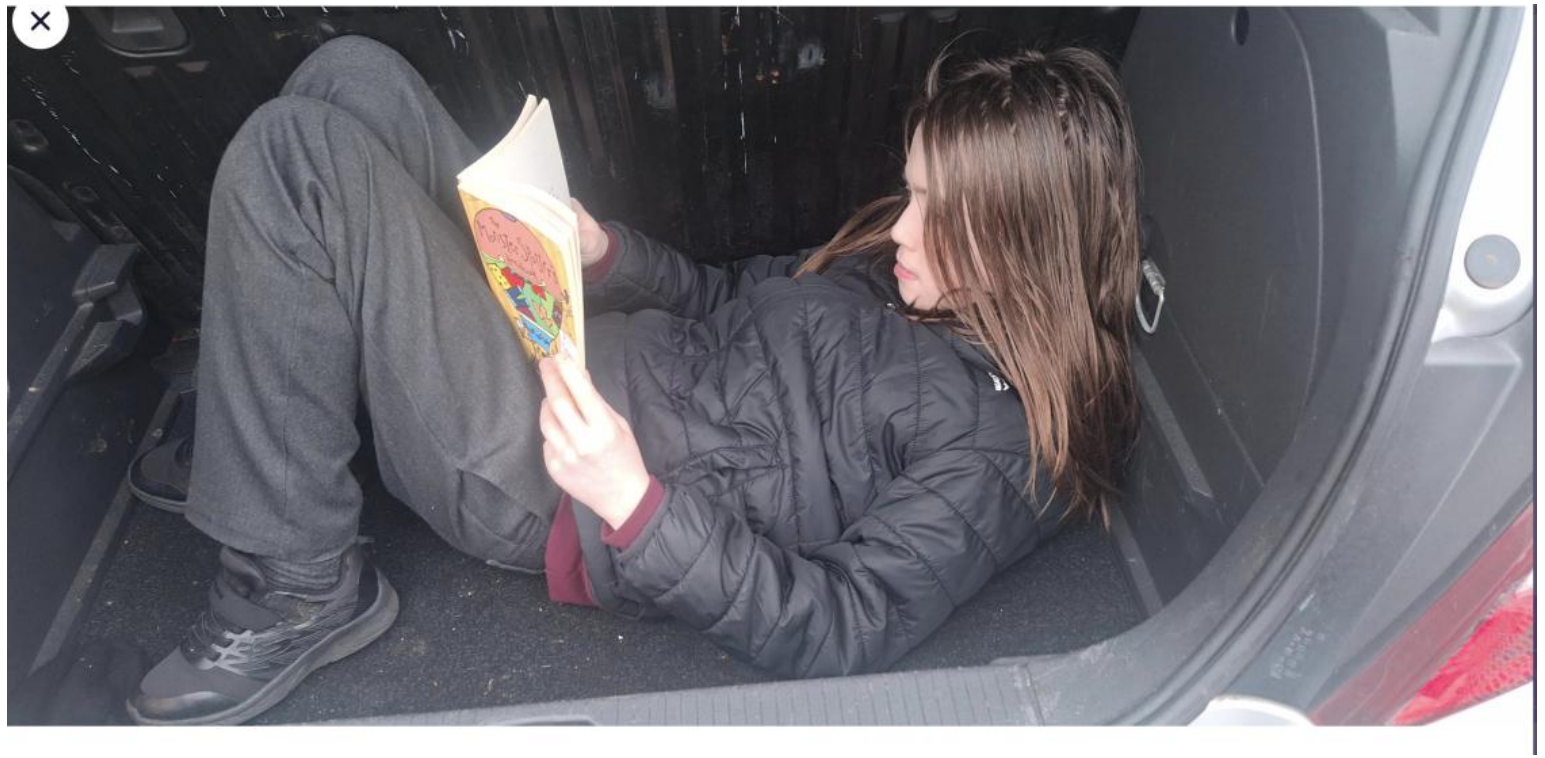
Front and Center Stage!

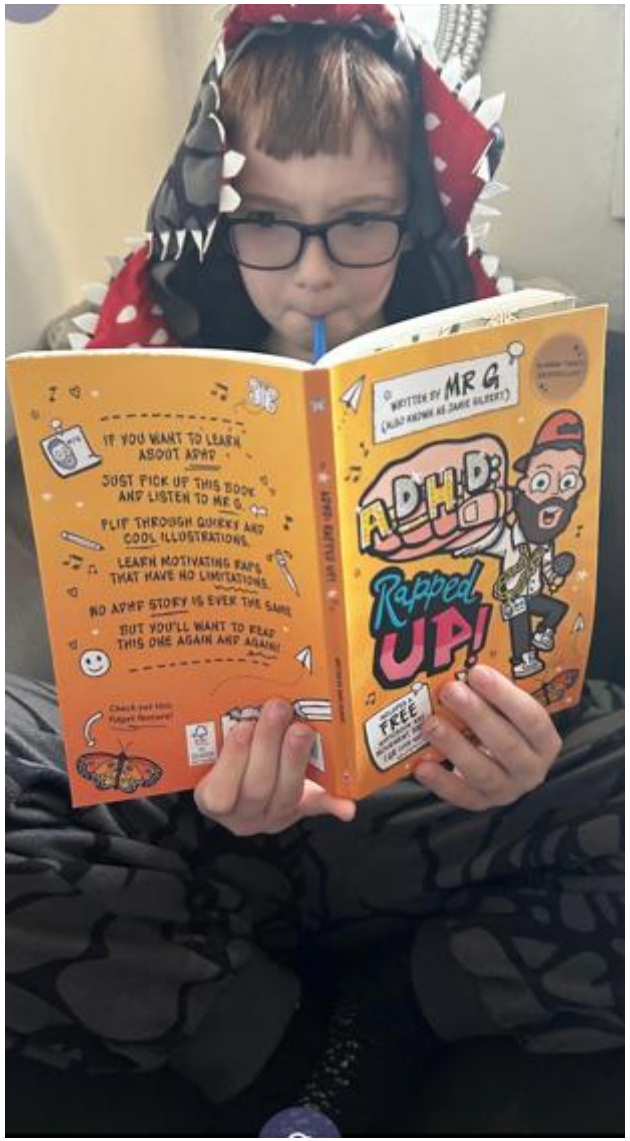
On the tables!



We can even read…
UPSIDE DOWN!

Possibly… in a car boot?!





Or… in the shower!

When we can, we even enjoy a book whilst riding a dinosaur!

Or… CHILLING in the fridge

Which do you think is the most obscure place to read?!
