3rd April 2020

Dear Parent / Carer,

Coronavirus Update

Firstly, I would like to say a massive thank you for your cooperation during these challenging times. It has been extremely reassuring to see the continued support of all our parents and carers and I am very proud of the entire Elm Tree community. Please follow this letter carefully for all updates.

School will be closed to ALL pupils from Friday 3rd April until Monday 20th April, in line with the Easter break. Please be reassured that staff will be in contact with you during this time to maintain communication between school and home. This will give you the opportunity to have a friendly catch up with staff. Can we also remind you that we are updating our school 'Coronavirus Information' website page regularly with updates, new home learning support and other useful links.

It has been great to see the children making use of the new 'Elm Tree Online Journal'. We are so impressed to see all the excellent work and activities everyone has been getting up to at home. Please can we encourage you to carry on and send all of your amazing pictures, videos and creations to the school email so we can continue to update this fantastic journal.

Once again, I would like to say another huge thanks. Although we are experiencing challenging and uncertain times, it is great to see such positive, community spirit. From all of us at Elm Tree, we wish you a safe and happy Easter break.

Yours sincerely,

D. Lamb
