

PE and Sport Premium – 2020 / 2021

How to use the PE and Sports Premium?

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium

- Develop or add to the PE and sports activities that your school already offer.
- Make improvements now that will benefit pupils joining the school in future years.

For example, you can use the funding to:

- Hire qualified sports coaches to work with teachers
- Provide existing staff with training or resources to help them teach PE and sport more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4life clubs
- Run sports competitions or run sports activities with other schools
 - Increase pupils' participation in School Games
 - Improve pupils physical, mental and social well being

Over the coming terms we are reintroducing swimming to our curriculum, now we have secured a suitable venue we are aiming to increase the number of pupils at Elm Tree Primary that can swim confidently, competently and proficiently over a distance of 25 meters. These are 2 different venues to suit the needs of our children. Initially children from KS2 are to access swimming lessons once a week for a 10 week block. We have now introduced swimming to the Upper Key Stage 2 specialised class as well as KS1.

There are a few new initiatives that Elm Tree is looking to promote over the coming 2020/21 academic year to encourage fitness, participation and healthier lifestyle choices.

Due to pandemic, children have lost a lot of physical activity time. Some of our initiatives were not met last year due to the closure of schools. We will be working diligently to ensure children return to school safely and encourage them to engage and participate in a happy and safe environment.

The mile a day initiative will be rolled out across the school over the first term in order to encourage team work, personal achievement and healthy lifestyle choices. The route of the mile has been shared with all members of staff. Secondly an intra-school competition where classes will compete in team games and events against each other over the curricular year is to be organised which will promote team work, fair play, fun activity and a friendly sense of competition. This was successful last year before school closed as we had a huge football tournament. Other sporting tournaments will be added to the calendar this academic year.

Key achievements to date	Areas for further improvement and focus
<ul style="list-style-type: none"> • Annual residentials offering diverse experiences, outdoor pursuits, teamwork and leadership skills. • Continued running of holiday clubs promoting physical recreation. • Quality and diverse PE/Sport lessons conducted by teaching staff with the use of the 'PE Hub' online resources. • Use of the new Muga to encourage physical recreation at break/lunch times with the use of new sports equipment to enhance diversity and new skill acquisition. • Healthy school meals and snack options at breakfast and break times. • Diverse enrichment opportunities including horse riding, climbing, 	<ul style="list-style-type: none"> • A much more progressive PE curriculum with assessment of key data to promote progress and attainment. • Continue to offer alternative sports opportunities. • Access to the swimming curriculum for all ages at Elm Tree. • Encourage healthier packed lunches to improve better lifestyle choices for all pupils. • Consider how we might introduce whole school activities like the 'Daily mile' and overcome the logistical issues of the school day/timetable. • Further CPD opportunities for those staff members delivering the PE curriculum. • Introduction of intra school competitions to promote health/fitness/pupil involvement in physical recreation. • Introduction Inter school sport

How much money will Elm Tree receive this coming academic year?

Elm Tree will receive £17,140* from the PE/Sports Premium over this academic year 2020/21. Below is a breakdown of where the money will be spent and on what.

Action	Staff responsible	Cost	Expected impact
Promote consistency throughout school from EYFS to year 6. With the employment of a specialist PE teacher, all lessons will be of a high standard with regular	S Brown (Assistant Head) S Gore (PE Teacher)		Consistent good/outstanding lessons in PE/SPORT delivery across the whole school.

assessment and targets set for each pupil. This will be monitored by SB. SG will support and monitor EYFS and specialised classes			
After successful Intra football tournament, build in a competition each half term in relation to the unit of work the pupils have been completing	SG	£500	For pupils to experience friendly competition through different roles, and receive certificates and trophies.
