

SATs & MTC Results Over Time: 2026 Update

It is a National requirement for all schools to publish their results for English and Maths. 'Expected' is the new term for those children that meet the requirements of the Key Stage 2 curriculum.

The staff are extremely proud of our children and all their many achievements both academic and otherwise. In particular this year, we are proud to share the cohort's results.

A very well done to the staff, children and their families for their collective efforts during the children's time at Ely St Mary's Junior School.

Our results for achieving the expected standard were as follows:

SATS 2026

Attainment	School (2026)	National
Reading	77%	75%
Writing (TA)	83%	73%
GPS	71%	74%
Maths	74%	75%
Reading, Writing and Maths Combined	66%	61%

Multiplication Tables Check (Year 4)

The Multiplication Tables Check is taken by children in Year 4, it is a check of their times tables up to 12x12. There is no official pass mark, but we are very proud of both the number of children achieving full marks and our average score across the yeargroup.

Attainment	School (2026)	National
Scoring full marks (25 out of 25)	44%	44%
Mean Average Score	23.2%	21.6%
