

## **Swimming Proficiency**

Each year we are required to publish the percentage of pupils within our year 6 cohort in the 2025 to 2026 academic year who met the national curriculum requirement to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively, for example, front crawl, backstroke and breaststroke
- perform safe self-rescue in different water-based situations

Attainment data for year 6 pupils is provided from their most recent swimming lessons in school, which took place in the academic year 2024-25. Included also is the data for our current Year 4 and 5 cohorts who have taken swimming lessons this academic year.

### **Year 4 2025/2026**

Total number of pupils in cohort: 48

|                                                                                                                                   |          |
|-----------------------------------------------------------------------------------------------------------------------------------|----------|
| Number of pupils in the above class who can swim competently, confidently and proficiently over a distance of at least 25 metres. | 21 (44%) |
| Number of pupils in the above class who can use a range of strokes effectively.                                                   | 35 (73%) |
| Number of pupils in the above class who can perform safe self-rescue in different water-based situations.                         | (80%)    |

### **Year 5 2025/2026**

Total number of pupils in cohort: 49

|                                                                                                                                   |          |
|-----------------------------------------------------------------------------------------------------------------------------------|----------|
| Number of pupils in the above class who can swim competently, confidently and proficiently over a distance of at least 25 metres. | 38 (78%) |
| Number of pupils in the above class who can use a range of strokes effectively.                                                   | 33 (67%) |
| Number of pupils in the above class who can perform safe self-rescue in different water-based situations.                         | 41 (84%) |

### Year 6 (lessons took place in 2024/25)

Total number of pupils in cohort: 81

|                                                                                                                                   |          |
|-----------------------------------------------------------------------------------------------------------------------------------|----------|
| Number of pupils in the above class who can swim competently, confidently and proficiently over a distance of at least 25 metres. | 61 (75%) |
| Number of pupils in the above class who can use a range of strokes effectively.                                                   | 58 (72%) |
