

18th January 2019

Baking Bread

In Year 5 this week, we were lucky enough to have a cook from Mellors Catering with us baking bread. The children completed the baking process, from mixing all the ingredients together to kneading the dough. The children thoroughly enjoyed the experience and at the end of the process they created their own tear and share bread to take home.

Happy Puzzle Company

Next Friday the children will be taking part in a maths workshop led by the Happy Puzzle Company. After school, the company will be providing a shop full of exciting and challenging maths puzzles and games. Please come along and see if there is anything you wish to buy for your children to use at home. Take a look on their website to see what is for offer and make sure you bring the voucher on the back to claim your free Thinkathon Book with any purchase over £5.00!

The shop will be in the school hall and open from 3:15pm to 4pm. Make sure you collect your children first and then come round to the main entrance to access the shop. We look forward to seeing you there!

Firefighters Visit

The Nursery children have had a very exciting visit from some of our Hyde Firefighters, who came in their fire engine to talk about People Who Help Us.

They told the children all about the work they do to help people by putting out fires and rescuing them from accidents. They showed the children a cartoon about the dangers of matches and lighters and taught them a rhyme to help them remember not to touch. The best part of the visit was when we all went out to see the fire engine and had a go at squirting water from the big hose. We cleaned the security lights and cameras and gave Mrs York's car a wash.

The children all thought the firefighters were very kind and brave and lots of them are thinking of firefighting as a career in the future.

Success Assembly Awards

Ubaid	For fantastic improvement in independent work
