## Rainforest Roadshow

On Thursday 14th UKS2 had a rainforest roadshow to immerse them into their new topic; rainforests. Throughout the day they learnt all about animals and plants in the rainforests and were shown many photos which Mrs Shaw had taken on her visits to the rainforests across the world.

In the afternoon the children took part in three workshops; observational drawing of animals and jewellery, making tribal jewellery and handling some rainforest creatures. The children thoroughly enjoyed the day and gained a lot of new knowledge as a result.

## Amendment to School Attendance Policy – Minor Ailments

As we are sure you will agree, the success of our students is a priority for us at Endeavour Academy. There is a clear link between attendance and achievement which is made evident within our school from those who regularly attend and those that do not. Owing to concerns regarding the decline in student attendance at school and the detrimental impact that this has on academic achievement, we will no longer be authorising any absence from school for minor ailments without medical evidence. Medical evidence can be in the form of an appointment note from your GP practice or a prescription label showing the child's name and the date prescribed.

Where children have a headache, cold or stomach ache, we would expect that they take some appropriate pain relief and make efforts to come into school. Experience shows that most minor ailments improve as the morning goes on and any student who really is not well enough to remain in school will be sent home.

Thank you for your cooperation in this important matter.
