

# After School Clubs

## at Endeavour Academy

At Endeavour Academy, we make sure that we offer our children a variety of after school clubs which are interesting, exciting and allow the children to broaden their experiences. **All** our clubs are open to both girls and boys equally.

Listed below are the range of clubs that will be taking place this next half term with a description of each club detailed beneath to help you with deciding which club or clubs to attend. Please be aware that when signing up to a club you are expected to demonstrate our school core value of 'Commitment' by ensuring you attend each week.

**If you would like your child to attend one of our afterschool clubs then please book your child on My Child At School(MCAS).** All children (except for our Young Voices Choir) will need to rebook on to clubs.

#### Autumn 2 Clubs in detail:

<p><b>Endeavour TV</b></p> 	<p>Would you like to be a presenter of the future? This is the club for you! Your job will be showcasing all the amazing things we do at Endeavour Academy. You will be creating your own reports which will be presented on our TVs around school. Whether you are creative in front of the screen or behind the screen, there is a role for you.</p> <p>(Thursdays for children in KS2)</p>
<p><b>Multi-sports club</b></p> 	<p>This club will offer various sports for you to take part in. Multi-Skills is a great way to keep fit and healthy! As well as learning fundamental skills (throwing, catching, running, jumping) you will also be improving your hand-eye coordination, flexibility, reaction time &amp; stamina. Additionally, Multi-Skills club will help build your confidence and develop your problem-solving, teamwork and decision-making skills.</p> <p>(Mondays for children in KS1)</p>
<p><b>Football club</b></p> 	<p>This club is offered as part of our commitment to promoting healthy and active lifestyles for our children. Each week you will be learning, improving and applying essential football skills including dribbling, kicking, attacking and defending alongside developing key life skills such as social skills, discipline, respect, personal control, organisation and leadership.</p> <p>(Tuesdays for children in Years 5 and 6; Thursdays for children in Years 3 and 4)</p>

<h3>Hama Beads</h3> 	<p>In this club, you will have the opportunity to create your own patterns and designs from Hama beads. Hama beads are both a logical and creative activity, and therefore fantastic for the developing mind. Creating 3D pictures from Hama beads will help you to relax, give you good hand-eye coordination as well as giving you the time to spend some quality time socialising with your friends.</p> <p><b>(Tuesday for children in KS1)</b></p>
<h3>Art Club</h3> 	<p>Do you enjoy drawing and painting or crafting and generally being creative? Then art club is for you. Each week you will experience using a wide range of art materials and learn new techniques. From watercolours to pastels and mixed media, you will be inspired to develop your creativity, stimulate your mind, and create your own masterpieces to take home.</p> <p><b>(Thursdays for children in KS1)</b></p>
<h3>KS2 Mindfulness</h3> 	<p>This new club is aimed at supporting and developing our children's wellbeing and equipping them with tools to build self-esteem, manage stress, and skilfully approach challenges. At the club children will explore positive affirmations and how these can brighten a person's outlook on the world and understand and explore a range of feelings through designing calm boxes and making memory jars to name just a couple of activities.</p> <p><b>(Tuesdays for children in KS2)</b></p>
<h3>Young Voices</h3> 	<p>This club is continuing Mondays for our Young Voices choir who are busy learning a repertoire of songs ready for their performance at the AO Arena in Manchester in February 2024. <b>There is no need to re-apply for this club as members are automatically included</b></p>
