I learned to write my name with Mrs Plummer. She helps me. It starts with M

I love using NumberJacks to help me with my counting. I can count up to 10 all by myself.

I like it mummy or daddy come and read stories to me in Nursery.

So, as this story comes to an end, your story at Endeavour Academy is only just beginning. It's normal to feel scared or worried before starting at nursery. You do not need to worry but feel free to ask your grown-ups any questions. We can't wait to meet you properly in September.

Have a lovely Summer and we can't wait to get to know you!!!
