I love listening to stories. We get to join in and act them out with my friends.

I like doing lots of Writing. I write stories about princesses and some about dragons too. I love my teacher. She's kind and helps me lots.

I like it when we go to the library to get a library card. I also loved it when we had an animal magic party and I held lots of animals.

I like it when we do things with my mummy and daddy. I loved the Christmas craft morning and the Christmas concert we sang for them

So, as this story comes to an end, your story at Endeavour Academy is only just beginning. It's normal to feel scared or worried before starting at school. You do not need to worry but feel free to ask your grown-ups any questions. We can't wait to meet you properly in September.

Have a lovely Summer and we can't wait to get to know you!!!
