Key Stage 2 (KS2) results - 2018-2019

In May 2019 the children in Y6 took the DfE SAT tests. These tests are designed to provide greater challenge to children. The table below shows the percentage of children that achieved the 'age related expectation' (ARE) in our school and the percentage that achieved greater depth. It also shows a 'progress score'.

To meet the expected standard ('floor standard') a school should have 65% of its children achieving ARE for 'Reading, Writing & Maths combined' **OR** meet the progress score measure in reading, writing and maths.

Progress scores must be better than:

Reading: -5.0 Writing: -7.0 Maths: -5.0

Endeavour Academy meets the expected standard for the academic year 2018 – 2019 since we met the progress score measure in all 3 of the subjects.
