24<sup>th</sup> June 2021

Dear parents/carers,

It has been fantastic beginning the process of getting to know the children who will be starting in both our Nursery & Reception classes in September. A big thanks to all those who have joined for a Virtual visit (via video call or phone call) as this has proven incredibly useful in helping us learn a little more about your child. We have also loved getting to know the children in our Nursery a little more ahead of their move up to Reception in September.

I did say that we hoped to hold Transition visits on Friday 2<sup>nd</sup> July. It has now been confirmed that due to rising COVID numbers in and around Tameside, that these visits can now not happen. I realise that this is a shame but cannot be helped, as safety of everybody must remain of the highest importance.

This means that our arrangements will now be adapted. The following will now happen

- All children in our new Nursery & Reception classes have received a Transition story through email. These will be sent again & attached throughout the period leading up to September. Please contact school if you have not received one. This is a crucial document to share with your child to help them get to know more about us.
- Videos will be emailed out between now & the end of July, including tours of the classroom and introductory messages from your new teachers. These will be emailed out on the address given to school.
- An information booklet on uniform and school dinners & other key information will be emailed out in early July. School jumpers and cardigans as well as school bags are available from Kid Stop on Market Street in Hyde and they are open all summer long. All other uniform is easy to purchase from supermarkets.
- Our Transition visits will now occur on Thursday 2<sup>nd</sup> & Friday 3<sup>rd</sup> September before the children will begin full time on Monday 6<sup>th</sup> September. More information on this will be emailed in mid-July.

part of the **enquire**  
learning trust

I know that many of the children cannot wait to visit their new classrooms/school but I am also certain that you will understand this decision. We will keep in regular touch with you, via email or phone, so please keep checking and if you have any queries, then please do not hesitate to contact school.

We look forward to seeing you soon

Many thanks

Mr Johnson (EYFS Manager)
