

Snippets Taken From Pupil Voice Interviews

What is geography?

So we can learn about continents, countries and their weather. We can pick our holidays like this (KS1 pupil)

Its where we learn about places and where we are, it's not just maps, like their physical features like volcanoes (UKS2 pupil)

Why do we need to learn about geography?

We have to know what the world is like all over so we know what to do to help (UKS2 pupil)

To get good jobs like a bus driver or a pilot using your locational knowledge (LKS2 pupil)

How do you know if you are well in geography?

Meeting the WALT and WILF and using this to answer our enquiry questions on the board (UKS2 pupil)

My teachers tell me what I am doing well when they walk around the classroom (KS1 pupil)

What helps you?

Using the maps of the world in the classroom helps me (LKS2 pupil)

I can use the board. There are WAGOLLS, examples and non-fiction books to help me (UKS2 pupil)

How do you know you are getting better at geography?

I know where places are and I understand what is happening around the world (UKS2 pupil)

I know because I can listen to questions and answer them in detail (LKS2 pupil)

What does your teacher do help you remember geographical learning?

We play Kahoot quizzes and we go through all the work at the end of the unit like a recap (KS1 pupil)

We use our Sticky Knowledge. We can look back in books and we have tasks to do each lesson to go over old topics (UKS2 pupil)
