New learning:

This week's themed learning is based around our new topic of **rivers**.

| | | | |
|--|---|--|--|
| <p><u>Art</u></p>  | <p>Claude Monet completed the following painting 'The River Thames.'</p> <p>Can you <u>sketch</u> a river based on our local river (pictures can be found on the next page)? If you have <u>paint</u>, could you also create your own interpretation of Monet's work using our local area as inspiration?</p> | <p><u>Geography</u> Find out what rivers are using this link. Can you answer all the questions right on the quiz at the bottom of the webpage?</p> <p><u>Computing</u> Match the river features pictures to the photo on Purple Mash (set as a 2Do).</p> <p><u>English</u> Using Collins online dictionary, can you define the following words? Source, bank, tributaries, confluence, meander, mouth, erosion.</p> <p><u>English</u> Create a non-fiction text of your choice (poster, leaflet or report) to explain the three different courses/stages of a river.</p> <ul style="list-style-type: none"> • Upper Course • Middle Course • Lower Course | <p><u>Geography/Fieldwork</u> Locate your closest body of water area using DigiMaps or Google Earth. If possible, visit your local body of water. Can you draw a picture of what it looks like and what is around it?</p> <p><u>Science investigation</u> Can you make your own 'erosion in action'? Watch this YouTube video and complete the investigation modelled.</p> <p><u>Science</u> Research the water cycle and produce a labelled diagram showing your understanding. There are additional activities on Purple Mash for this.</p> <p><u>British Values/Global Learning</u> Should people be fined for littering in and around rivers? Why? Discuss with your family and write a list of reasons for your answers? Can you push yourself to see if there are points for the other side?</p> |
|--|---|--|--|

Sticky Knowledge (remembering our previous learning):

| | | |
|--|--|--|
| <p><u>Geography</u> What countries have we learned about in our topics so far? Do you know any other countries? Test your knowledge of general geography using this quiz, and this one to show your learning of the UK. With your entire household, hold a quiz evening and try to solve the country anagram quiz together (page 3). Can you solve them all?</p> | <p><u>History</u> Recap Prehistoric Britain by watching these video clips. Which era would you have preferred to live in? Why? Write an argument telling me exactly why you pick that era over the others.</p> | <p><u>Science</u> We looked at what animals need to eat, all the different teeth we have and the function of each type, but can you use your learning to complete this food chain online activity?</p> |
