

5<sup>th</sup> June 2020

Dear Parent/ Carer,

**You will be aware that we were planning to open to a wider group of pupils from Monday 8<sup>th</sup> June. Unfortunately, these plans have been postponed until 22<sup>nd</sup> June 2020 at the earliest.**

At 2.00pm today we received notice from Dr. Jeanelle de Gruchy, Director of Population Health at Tameside MBC that the coronavirus infection rate (or R value) is now above the critical value of 1 for the North West.

Despite the excellent work that all colleagues in ELT schools have undertaken to ensure children are able to resume their education in safety **we will not open to children in Early Years, Reception, Year 1 and Year 6 as planned.** Our provision for vulnerable pupils and the children of critical workers is unaffected by this and will be open as usual. Our home learning for pupils will also continue.

Endeavour Academy and the Enquire Learning Trust are committed to ensuring the safety of our staff and children and we are in full support of the decision that has been made by Tameside MBC. We will continue to follow DfE guidance and abide by the advice of public health professionals.

We appreciate that this may cause families some difficulties and I apologise for both this and the very short notice that we have been able to provide.

We will issue further information in due course.

Take care and stay alert.

Yours,

Carol Rhodes (Headteacher)

and

Darren Holmes

Chief Executive Officer  
Enquire Learning Trust
