

Example Home Learning Timetable. Endeavour Academy- Nursery

This is an example of a timetable you could follow but it is not an expectation. Any activities you do together will really help your child's progress and hopefully help you structure your days together.

Times	Monday	Tuesday	Wednesday	Thursday	Friday
8am-8:30	Get up Have breakfast Get dressed	Get up Have breakfast Get dressed	Get up Have breakfast Get dressed	Get up Have breakfast Get dressed	Get up Have breakfast Get dressed

Phonics sheets are also available with a free subscription on [Twinkl.co.uk](https://www.twinkl.co.uk). Some of our children are on Phase 1- lots of practical ideas for listening activities, rhyming games, alliteration, etc. If your child finds this easy, try Phase 2 activities. Most children have learned the Phase 2 sounds in class. Some children may be ready to try Phase 3 but we haven't done any of this in class yet so it will be a challenge.

**Numberblocks is a fun maths programme which forms the basis of lots of our lessons. Here is a list of the videos, we have watched all of Series 1 but the children will still love to watch again. After watching, we always do practical activities based on the video, using cubes- but pieces of lego or pasta etc are just as good.

Series 1, Episode 1: "One"

Series 1, Episode 2: "Another One"

Series 1, Episode 3: "Two"

Series 1, Episode 4: "Three"

Series 1, Episode 5: "One, Two, Three!"

Series 1, Episode 6: "Four"

Series 1, Episode 7: "Five"

Series 1, Episode 8: "Three Little Pigs"

Series 1, Episode 9: "Off We Go!"

Series 1, Episode 10: "How to Count"

Series 1, Episode 11: "Stampolines"
