

## EYFS Easter Challenges

Over the next 2 weeks, we will not be uploading our normal working packs as these would have been your Easter break. Instead, each week we will upload a series of challenges for you to work on at home. Please continue to upload pictures to Teams as you complete activities. Here are your week 2 challenges

### Creative Challenge 1

Can you paint some Easter Eggs? What will you use to draw & colour them – Will you paint? Collage? Chalk? Maybe you could do a few different types.

### Creative Challenge 2

Choose some activities from the Lego Calendar:

<https://funlearningforkids.com/lego-challenge-calendar-building-ideas/>

Or build something from another construction kit. We would love to see your photos on Teams!!

### Creative Challenge 3

Can you make an Easter card using just your fingers?

### STEM Challenge 1

Float or Sink – Can you look around your house for objects that you think will float and ones that might sink? What do you notice?

### STEM Challenge 2

Paper Chair – Can you make a chair for a soft toy using on paper and tape?

### STEM Challenge 3

Can you make an egg bounce? Place an unboiled egg in a container of vinegar for about 24 hours. The vinegar should completely cover the egg. Once the whole shell has dissolved, you have an **egg** which should bounce.

### Musical Challenge

Music Makers = Can you use any objects in your house to make your own instruments? Do you bang it or shake it?

### Baking Challenge

Can you do some Easter baking? There are lots of recipes on

<https://www.bbcgoodfood.com/recipes/collection/easter-kids>

### Garden Challenge

Spring is Coming – Can you make a list and draw all the items you see whilst in your garden that shows Spring is here?

### Garden Challenge

Set up your obstacle course in the garden using all your toys – How will you balance? Move? What obstacles will you use?

Bonus History Challenge: Ask your child to choose their favourite toy and draw a picture of it. Talk to them about what it is used for, made out of and how it works. Now research online toys from the past. Choose another and ask your child to draw it and compare them – How are they similar? How are they different?

**DON'T FORGET TO POST YOUR PICTURES, VIDEOS & COMMENTS ON TEAMS**

Many thanks

Mr. Johnson, Miss Kennedy, Mrs Plummer, Mrs Begum & Mrs Begum
