NSPCC—Stay Safe

On Wednesday the children participated in an interactive assembly with the NSPCC. In this assembly we were introduced to the NSPCC's mascot Buddy, and we discussed the importance of speaking out and staying safe. The children in UKS2 were lucky enough to be involved in one of the workshops provided by the charity. In this workshop they explored the topics discussed in the assembly in more detail and looked at real life situations. For more advice about keeping you child safe visit NSPCC website at www.nspcc.org.uk.

Happy Puzzle Company

On Monday, all KS1 and KS2 classes had a different kind of maths lesson. Paolo from the Happy Puzzle Company set the hall up full of puzzles and investigations for each class to explore and solve. Pupils worked in small groups to solve problems, such as balancing penguins on a boat without it tipping and creating shapes such as squares and cubes from different sized shapes/faces. Paired and group work is a skill we focus on in class and it was fantastic to see this in action as well as hearing fabulous mathematic vocabulary being used. Watching pupils' learning being brought to life was great to see and as one pupil quoted, "I loved how tricky it was but we did it. We all helped and we did it!"

Sponsored Reading Challenge

Thank you for all of your support during our Sponsored Reading Challenge last week. The children did a fantastic job reading as much as they could over the week and have really enjoyed the challenge. We managed to raise £904.68! We will be using this money to buy new books for the school.
