James Boffin—Secret Science Agent

On Tuesday, Endeavour Academy were lucky enough to be visited by James Boffin the Secret Science Agent UU7. In the morning, James wowed the school in an assembly sharing his magic science and exciting experiments. Throughout the day the children took part in workshops and learnt about many scientific topics such as the rules of making things hotter and colder. To top the day off, children and parents, had the opportunity to witness a real rocket launch!

Parent & Toddler Group

We have had lots of parents and their toddlers come to visit and enjoy lots of fun with Mrs. Plummer in the Nursery. The group takes place every Wednesday morning from 9:15-11:00 and is the perfect way to meet other parents. If you have a child under the age of 3, or know somebody who has - then our 'Early Start' group is waiting for them!!! We would also like to say a big thanks to all the adults who have given us resources and time to help set this up - your support is much appreciated.
