## Alison the Explorer

On Friday 15th March, the Nursery children had a Story Hunt workshop all about growing plants. The children helped Alison the Explorer to travel to the beach, the mountains, a meadow and a cave to find out all about how to grow a beanstalk. They found all the things they would need- seeds, soil, sunshine and rain- and found all the props for a well-known story about a beanstalk. Can you guess which story? At the end, Alison told the children the story of the Grumpy Seed, who just didn't want to grow, and the children played music and gave him all the things

he needed. The Grumpy Seed grew into a beautiful sunflower. All the children thoroughly enjoyed the workshop and can't wait for Alison to come again.

## Parent & Toddler

We have had lots of parents and their toddlers come to visit and enjoy lots of fun with Mrs. Plummer in the Nursery.

The group takes place every Wednesday morning from 9:15-11:00 and is the perfect way to meet other parents. If you have a child under the age of 3, or know somebody who has - then our 'Early Start' group is waiting for them!!!

## A little Animal Magic

On Tuesday, Reception were amazed to share their morning with a whole host of animals. It has become an annual tradition to hold Animal Magic parties in the Spring term as part of our learning about how animals grow and change. Rosie brought some fantastic beasts for us to look at, stroke and of course learn about. We met a chinchilla, a de-scented skunk, two meerkats, a very big bunny, a gecko, a tawny owl, sugar gliders and lots of other animals. The children demonstrated fantastic listening skills throughout the workshop, and showed great care for the animals. We loved meeting all our new beastly friends and have done some fantastic follow-up work in class - please come and see our 'Amazing Animals' display. A big thanks to Animal Magic and we can't wait to have another party next year!!!
