Introduction

This document is designed to support schools in the careers education, information, advice and guidance (CEIAG) they deliver when working with pupils in Key Stage 4/Year 11.

Information has been provided by post 16 institutions across Lancashire to show their course offer, onsite facilities, support for students and how young people can apply for a place. This is intended to help support them in the decisions they are making about their futures by showing what each institution is able to provide.

Due to the continuing Covid-19 situation, post 16 institutions are restricted in how they can support schools and young people at this time in relation to offering open events, tours and taster days. With that in mind, the focus of this document has been to provide as many links as possible to things like documents, video clips and course information to make it easier to navigate provider websites.

For information on school sixth forms and colleges not included within this document, such as those located outside of Lancashire, we would advise you to contact them directly or look on their websites and social media pages for information, advice and support.

For information on any work based learning/training providers not included within this document, we would advise you to contact them directly or look on their websites and social media pages for information, advice and support. Alternatively, you can contact the Lancashire Work Based Learning Forum at info@lancsforum.co.uk and they will be happy to assist wherever possible.

All post 16 institutions are keen to support young people in making the right decisions for their futures. Please be assured that they are continuing to take all steps necessary to provide a safe learning environment during this uncertain time.

School Sixth Forms

Accrington St Christopher's C of E High School	
<p>Organisation Overview</p>	<p>Self-contained Sixth Form Centre for 300 students, opened in 2010. Student social areas, science labs, wi-fi throughout, catering facilities, well-equipped classrooms, roof garden.</p> <p>Buses available for students, especially those from Ribble Valley area and Burnley.</p> <p>For the sixth form's main introduction page, visit: https://www.st-christophers.org/sixth-about/introduction</p>
<p>Why a young person might want to study/train at your institution</p>	<p>We offer nearly 30 A-level subjects, fantastic results (92% A*-C, 100% pass rate), and consistently high value added (Alps grade) for last three consecutive years, one of highest retention rates in the county.</p> <p>Average class size only 15; students obtain great individual support and staff always available on site.</p> <p>Over 90% of students' progress to university study.</p> <p>Virtual open evening: https://www.st-christophers.org/sixth-year-focus/year-11-transition/sixth-form-virtual-open-evening</p>
<p>Courses offered and information on pathways</p>	<p>Nearly 30 subjects available at A-level and Performing Arts offered at BTEC level (equiv. to one A-level). Small number of places also available on the Foundation Pathways course which caters for students with special and particular needs.</p> <p>Most students progress to higher education, apprenticeships or the workplace.</p> <p>Information on courses can be found here: https://www.st-christophers.org/sixth-about/courses</p> <p>Parents and students dashboard: https://www.st-christophers.org/sixth-parents-students/introduction-dashboard</p>
<p>Support available for students</p>	<p>Bursary available; learning support through Foundation Pathways (especially for those with specific needs); lunchtime and after-school study support for students. Regular visits (not during Covid) to universities, university and careers' fairs and visits from university admission teams and employers (e.g. BAE etc.). Professionally qualified University and Careers' Adviser on site.</p> <p>Tutorials assist with study skills and university/careers preparation, and a special pathway offered for those applying for prestigious universities and for careers in Medicine, Vet. Medicine and Dentistry.</p>
<p>Information on how to apply</p>	<p>Apply online or request an application form. Applications welcome throughout the year, though first applications considered during January/February.</p> <p>Prospectus and Admissions info: https://www.st-christophers.org/sixth-year-focus/year-11-transition/prospectus-admissions</p> <p>See: www.st-christophers.org/sixth</p>
<p>Additional resources</p>	<p>Duke of Edinburgh Silver and Gold programme, Enrichment programme which allows students to further their academic interests (e.g. offers Extended Project Qualification, Core Maths and others) or sports or community/charity involvement.</p>

Alder Grange School	
Organisation Overview	Specialist Sixth Form building with purpose built facilities including Science Labs, Music studio, drama studio, computer suits and study areas.
Why a young person might want to study/train at your institution	We offer the opportunity to study both A-Level and Vocational / Applied subjects within the same timetable. We care about you as an individual, offering both academic and pastoral support. We offer an enrichment programme to enhance your studies and make you stand out from the crowd.
Courses offered and information on pathways	A levels, vocational, Level 2 pathways course which will lead on to Level 3 courses. Our prospectus can be viewed online at: https://aldergrange.com/uploads/documents/ag6/ag6_prospectus_2020.pdf Or visit the school's website at: https://aldergrange.com/ag6-home/#
Support available for students	We offer students of low income families the bursary. We have a dedicated member of the SEN team working to provide support for sixth form students. We have careers advice on site and visits to apprenticeships and university fairs alongside application help and guidance.
Information on how to apply	Applications can be found on our website https://aldergrange.com/ag6-home/

Bacup and Rawtenstall Grammar School	
Organisation Overview	We are a large school sixth form offering A level courses and an enrichment programme. As an 11-18 school, we offer support and pastoral structure students will be familiar with. An overview video can be viewed here: https://www.youtube.com/watch?v=fFEZeOJIRZ4
Why a young person might want to study/train at your institution	We deliver quality academic A levels with experienced staff – all are subject specialists. Approximately 1/3 of our students are from local high schools so newcomers are sure to fit in.
Courses offered and information on pathways	We offer a range of academic A level courses. More information about the courses we offer are on our website: https://www.brgs.org.uk/sixth-form/our-courses
Support available for students	We offer a bursary to those with households on low income as well as assistance with transport costs. We offer tutorial, careers and personal development programmes which guide you through applying to higher level apprenticeships, university or job applications.
Information on how to apply	Register and apply online: https://www.brgs.org.uk/sixth-form/how-to-apply

Clitheroe Royal Grammar School			
Organisation Overview	<p>Virtual Open Event page (links to whole programme – this is the best place to start).</p> <p>Video: Short Welcome from the Headteacher</p> <p>Video: recorded Live Q&A with panel of staff and students (we will be holding another one of these at 6.00pm on Thursday 3rd December see link on website here).</p> <p>Video: overview of the site and overview of facilities</p> <p>Video: students talking about study spaces at Sixth Form</p> <p>Video: students talking about the school day</p>		
Why a young person might want to study/train at your institution	<p>Video: Why study A Levels at CRGS - presentation from Head of Sixth Form</p> <p>A Level Results</p>

Haslingden High School and Sixth Form	
Organisation Overview	All information available on the sixth form tab of the school website – www.haslingdenhigh.com Please follow this link for the promotional video - https://youtu.be/Pz2GIKiz04c
Why a young person might want to study/train at your institution	At Haslingden High Sixth Form, we aim to raise the aspirations of our young adults by nurturing a passion for learning, enriching the student experience and securing outcomes which exceed expectations
Courses offered and information on pathways	All information available on the sixth form tab of the school website – www.haslingdenhigh.com
Support available for students	The support available to students includes the following: <ul style="list-style-type: none"> • Financial support – 16-19 bursary • Academic support with progress mentors and dedicated form tutors • Access to Unifrog • 3 supervised guided study periods per week • Study skills workshops • Wide variety of enrichment opportunities
Information on how to apply	For information on how to apply, visit the school website or contact: sixthform@haslingdenhigh.com
Additional resources	Students are also able to undertake the Voluntary EPQ.

Hutton C of E Grammar School	
Organisation Overview	Our online Open Evening resources are available at www.huttongrammar.org/sixth-form
Why a young person might want to study/train at your institution	We are A level specialists with excellent A level results based on our small class sizes and expert teachers. Our 2019 A level VA score of +0.19 is the best in central Lancashire.
Courses offered and information on pathways	Students typically take 3 A levels for two years; although the option to take 4 A levels is available. All of our students also complete an EPQ in Year 12.
Support available for students	Bursary available – applications made to our bursar. All students have a form tutor who provides one to one help with apprenticeship, job and university applications. We have an independent careers adviser and we use the Unifrog online careers platform.
Information on how to apply	Go to https://www.huttongrammar.org/sixth-form/admissions/online-application-form/ to apply online.
Additional resources	We distribute our A level Headstart Packs to all applicants once they have completed their GCSE exams in the summer.

Lancaster Girls' Grammar School	
Organisation Overview	The following link will take you to a film introducing the Sixth Form at LGGs: https://www.lggs.org.uk/3676/virtual-sixth-form-open-evening-now-live
Why a young person might want to study/train at your institution	The following link will take you to three presentations about applying, support and advice and guidance: https://www.lggs.org.uk/3676/virtual-sixth-form-open-evening-now-live
Courses offered and information on pathways	The following link will take you to presentations about each subject we offer and pages from our prospectus: https://www.lggs.org.uk/3676/virtual-sixth-form-open-evening-now-live
Support available for students	The following link will take you to the bursary fund section of our website: https://www.lggs.org.uk/630/bursary-funds
Information on how to apply	For information on how to apply, please visit our website through the following link: https://www.lggs.org.uk/462/sixth-form-admissions-1

Lancaster Royal Grammar School	
Organisation Overview	All about the school: https://www.lrgs.org.uk/about-the-school Site map: https://www.lrgs.org.uk/map Virtual tour: https://tourmkr.com/G1jL1qfqRT/12420071p,2933043m,356.80h,88.37t
Why a young person might want to study/train at your institution	<ul style="list-style-type: none"> • Academic overview: https://www.lrgs.org.uk/sixth-form/academic • What our prefects say: https://www.lrgs.org.uk/senior-prefect-team-2020-welcome-you-lrgs • What our boarders say: https://www.lrgs.org.uk/page/?title=Interviews+with+Sixth+Form+Boarders&pid=158 • What our former pupils say: https://www.lrgs.org.uk/sixth-form-leavers
Courses offered and information on pathways	We offer A-levels and Pre-U and the option to do an EPQ. Our current prospectus details all the qualifications offered: https://www.lrgs.org.uk/sixthformprospectus2020 A film company is currently editing our online open evening film and that should be ready soon. This will be available to view on our website.
Support available for students	The support available to students includes the following: <ul style="list-style-type: none"> • Sixth Form bursary: https://www.lrgs.org.uk/sixth-form/bursaries • Boarding Scholarship: https://www.lrgs.org.uk/sixthformboardingscholarship • Pastoral care: https://www.lrgs.org.uk/sixth-form/pastoral-care • Learning support <p>We have a careers adviser in school twice a week to support pupils beyond KS5. Tutors are instrumental in supporting tutees with applications. We have very robust post-18 input with a wide range of providers leading lunchtime and evening talks – these are now continuing as webinars through Teams. We are also fortunate to have a supportive parent and alumni network who help with mock interviews.</p>
Information on how to apply	Application form: https://www.lrgs.org.uk/sixthform2021 Admissions info: https://www.lrgs.org.uk/sixthform/admissions
Additional resources	We offer a huge range of clubs and societies and encourage our Sixth Form students to help lead these and / or to set up ones to showcase their interests. Last year's list can be found here: https://www.lrgs.org.uk/clubsandsocieties . This has been limited due to COVID but many are running online where possible. We encourage students to engage in work experience and volunteering and have an award-winning scheme to promote this (Praesis ut Prosis award).

Moor Park High School and Sixth Form	
Organisation Overview	<p>We are a small school with a modern, dedicated sixth form centre. Students at our sixth form have their own common area, study and quiet rooms, along with access to a range of IT facilities.</p> <p>Sixth form students enter the building by their own entrance and exit and receive ID swipe cards to sign in and out of the building.</p> <p>Message from head of sixth form and online prospectus are available here.</p> <p>A short, promotional video can be accessed through this link: https://moorparklanccssch-my.sharepoint.com/personal/j_morgan_moorpark_mp/Documents/Attachments/MOOR%20PARK%20SIXTH%20FORM%20PROMO.m4v</p>
Why a young person might want to study/train at your institution	<p>WHAT MAKES OUR SIXTH FORM UNIQUE</p> <ul style="list-style-type: none"> • A safe environment with small class sizes and expert teachers • Regular parental contact • Tailored enrichment and UCAS support so that all students are university-ready, including financial support to attend university open days • Free of charge textbooks and resources for all courses • Music lessons for our musicians who have achieved Grade 5 or above in lower school • The opportunity to study for an additional home-language A Level • The opportunity to work towards the Duke of Edinburgh Gold Award • The opportunity to become a student ambassador and help lead our school
Courses offered and information on pathways	<p>All information is available online. We offer a range of academic A Levels and BTEC qualifications.</p>
Support available for students	<p>We provide a tailored enrichment and tutorial programme for all students in Year 12 and Year 13. These sessions change year-on-year, dependent on students and what they wish to achieve. Being a small sixth form is a real bonus, as it allows us to ensure that we match these sessions to our students' needs, ensuring they have the experiences they require to write a successful university application and achieve their long-term goals.</p> <p>The range of activities we offer includes:</p> <ul style="list-style-type: none"> • Presentations and workshops from universities and employers • External trips and visits • Development of employability skills • Interview preparation support • Careers information, guidance and support <p>We have a dedicated student support officer whose role is to ensure that students settle well into sixth form life and to offer academic or pastoral support as needed.</p>
Information on how to apply	<p>Year 11 students from Moor Park will apply internally. Students attending other schools can apply via the application form available here.</p>

Morecambe Bay Academy	
Organisation Overview	<p>There is a designated Sixth Form block with library and canteen. Students studying STEM subjects are given a laptop for homework and research purposes. All other students are given a tablet for use with their studies.</p> <p>Please see film clip on Virtual Open Evening: www.mbasixthform.theschooltour.co.uk</p> <p>Further information can be found on the website: https://morecambebayacademy.co.uk/school-life/sixth-form/</p>
Why a young person might want to study/train at your institution	<p>This is a small, community Sixth Form where students are well-supported both with academic studies and pastoral issues. Small class sizes mean students don't 'get lost in the crowd.'</p> <p>The right courses are matched to individual needs, abilities and pathways. Therefore, we offer a wide range of courses, delivering both academic and vocational courses.</p>
Courses offered and information on pathways	<p>We offer a range of academic and vocational courses. The course offer for our sixth form in 2021 can be found through this link: https://morecambebayacademy.co.uk/wp-content/uploads/2020/12/Sixth-Form-Course-Guide-2021.pdf.</p> <p>We also offer re-sits in GCSE English and maths.</p> <p>Students are guided through the UCAS process and a Careers Advisor supports students who wish to pursue other pathways.</p>
Support available for students	<p>Bursaries are available and students are guided through the UCAS process and a Careers Advisor supports students who wish to pursue other pathways.</p>
Information on how to apply	<p>Application forms are available through the Virtual Open Evening or school website: www.mbasixthform.theschooltour.co.uk.</p> <p>https://morecambebayacademy.co.uk/school-life/sixth-form/.</p> <p>These can be posted in, emailed or dropped at school reception, marked 'FAO H Fitzwilliam'</p>
Additional resources	<p>There is a varied enrichment programme which takes place on Wednesday afternoons.</p>

Ormskirk School	
Organisation Overview	<p>Please visit our school website at https://www.ormskirk.lancs.sch.uk/ You will find links to videos and our prospectus on our home page.</p>
Why a young person might want to study/train at your institution	<p>The sixth form area of the school website includes videos and our prospectus: https://www.ormskirk.lancs.sch.uk/</p>
Courses offered and information on pathways	<p>We offer A levels and GCSE English and mathematics re-sits. You can view our sixth form prospectus here: https://www.ormskirk.lancs.sch.uk/images/docs/vif/vif_prospectus.pdf.</p>
Support available for students	<p>Bursary support is available for qualifying students.</p>
Information on how to apply	<p>You can apply using our online application form, which can be found through this link: https://www.ormskirk.lancs.sch.uk/index.php/sixthform-2019/vi-admissions</p>
Additional resources	<p>Our enrichment activities are shown in the sixth form prospectus: https://www.ormskirk.lancs.sch.uk/images/docs/vif/vif_prospectus.pdf</p>

Our Lady's Catholic College	
<p>Organisation Overview</p>	<ul style="list-style-type: none"> • Film clip of 'Life in OLCC Sixth Form' - a 10 min film showing extracurricular activities and what goes on outside of lessons'. • Film clip of 'Tour of Lessons at OLCC' – a whistle-stop tour of live lessons with our current sixth formers – made by our students. • A voiced over power-point presentation discussing pathways and entry requirements and reasons why you should choose OLCC. • Subject Power-point presentations. Each subject has made a presentation which includes details of their course and information about careers associated with their subject. • An online prospectus, detailing the structure of each course and the specific entry requirements for each course. • All clips will be available on our web-site when we launch our Open Evening on Thursday 21 January 2021 - https://www.olcc.lancs.sch.uk/.
<p>Why a young person might want to study/train at your institution</p>	<ul style="list-style-type: none"> • We offer a wide selection of BOTH A Levels and BTEC qualifications, which can be mixed and matched. • We have the second highest value-added score for A Levels in Lancashire. • Smaller than average class sizes. • Excellent IAG and pastoral support. • We also offer a level 2 course with higher than national success rates in both English and Mathematics GCSE retake results. • Excellent extra-curricular opportunities – recent trips include to London and Uganda. • A wide range of opportunities for leadership within our school community.
<p>Courses offered and information on pathways</p>	<p>An online prospectus is available, detailing the structure of each course and the specific entry requirements for each course. In addition, information on pathways is within the voiced over power-point presentation.</p>
<p>Support available for students</p>	<p>The support available to students includes the following:</p> <ul style="list-style-type: none"> • We offer a payment of £150 per half term from the 16-19 bursary to any students who qualifies for free school meals. • We provide free stationery to students if required. • We offer assistance for travel expenses to Open Days and extra-curricular trips. • A SEND coordinator who works with any students who have specific needs. • An experienced and helpful Careers Officer who can set up mock interviews and help students with applications for apprenticeships. • Robust support for all UCAS applications from our dedicated team of form tutors followed by a lengthy appointment and check with Head of Sixth Form before sending.
<p>Information on how to apply</p>	<p>All our resources are being launched on Thursday 21 January 2021.</p> <p>However, online applications are already open and can be accessed here: https://www.olcc.lancs.sch.uk/form/?pid=9&form=17. We would like all applications in by Friday 5 February so that we can design our option blocks to provide the optimum choices for students applying.</p>
<p>Additional resources</p>	<ul style="list-style-type: none"> • HE plus at Cardinal Newman College • GIFT Team for Chaplaincy • Uganda Action Group • Nuffield Science Projects • Sutton Trust Summer Schools • FutureU events • Talk the Talk events

Ripley St Thomas C of E Academy	
Organisation Overview	Our custom-built Sixth Form Centre ensures all students have access to high quality study facilities, helping them to develop strong independent study skills. For more information, please visit our website: https://ripleystthomas.com/sixth-form/ .
Why a young person might want to study/train at your institution	Ripley Sixth Form is a large and highly successful sixth form. We offer a wide range of options within our broad curriculum. We currently offer 23 A Level courses, two Level 3 BTEC courses, Core Mathematics and the EPQ.
Courses offered and information on pathways	Information about courses is on the Sixth Form section of the academy website including the Sixth Form prospectus (https://ripleystthomas.com/app/uploads/2020/08/prospectus-sixth-form-2020-compressed.pdf) and course information sheets (https://ripleystthomas.com/sixth-form/courses/). Videos including information about courses and other materials will be available online at the virtual Open Evening on 4 th February 2021. More information about our virtual Open Evening can be found here: https://ripleystthomas.com/news-events/events/sixth-form-open-evening-2021/ .
Support available for students	The national 16-19 Bursary Fund is a scheme to help young people facing financial hardship to stay in full time education. We have a strong pastoral support system whereby every student receives one-to-one mentoring from their personal tutor. Students have access to a detailed career planning journey via our tutorial programme, whereby they are supported to make strong applications to a variety of post 18 destinations including university and higher and degree apprenticeships.
Information on how to apply	The Virtual Sixth Form Open Evening is on Thursday 4 February 2021 - https://ripleystthomas.com/news-events/events/sixth-form-open-evening-2021/ . The online application process will open on that evening. The deadline for applications is on Thursday 4 March 2021
Additional resources	We have a specific programme for high prior attaining students, a support programme for any students who require support to improve, plus a wide ranging enrichment programme which all students can access. Information about our enrichment programme can be found through this link: https://ripleystthomas.com/sixth-form/enrichment/ .

Lancaster and Morecambe College	
Organisation Overview	<p>We have a landing page on our website for our Virtual Open Days and Events which includes a video outlining all of our courses and facilities. An adapted version of this is available for use at Year 11 assemblies in schools.</p> <p>The Student Support link from this page (and also on the home page) leads to another film, outlining all the support available, including transition from school to College.</p>
Why a young person might want to study/train at your institution	<p>Our Student Life section of the website includes a wealth of information including Why Choose LMC?, information about support, safeguarding and our Safer College Community initiative.</p>
Courses offered and information on pathways	<p>We are in the process of creating a digital prospectus and updating all of our course information on the website, to ensure prospective learners can easily access the relevant information. This includes full-time, apprenticeships and traineeships.</p> <p>We have links for phone and email enquiries on the website and have dedicated advice@lmc.ac.uk and hello@lmc.ac.uk email addresses.</p> <p>Our Virtual Open Days give prospective learners the opportunity to speak with tutors and support staff via Teams or telephone and we hope to return to face-to-face Open Days in the new year.</p>
Support available for students	<p>The Student Support link on the website includes a film and relevant information outlining all the support available, including transition from school to College.</p> <p>Information about our FREE bus service from outside the local area is on our website.</p>
Information on how to apply	<p>Applications are made on-line, via our Apply Portal.</p> <p>The registration process is easy to follow and allows the user to choose an interview date and time to suit them. Once an application has been submitted, our Admissions Team will process this and contact the applicant if there is any outstanding information.</p> <p>Interviews will be arranged via the telephone or Teams, although we hope to be able to return to face-to-face interviews in the New Year.</p>
Additional resources	<p>We are not currently running anything but hope to resume activities in the new year.</p>

Myerscough College	
<p>Organisation Overview</p>	<ul style="list-style-type: none"> • Myerscough College and University Centre specialises in education and training for the land-based and sports industries. We teach more than twenty different subjects, including motorsports, golf, football, horticulture and landscaping, animal care and equine studies. Plus, there's a whole range of other subjects available that will give you the hands on, practical skills that you need to secure the job of your dreams. • Our track record and ongoing expansion mean we have as strong a reputation as ever in delivering results and making a difference to people's lives. • We've completed a £35 million campus development programme, including the opening of our state-of-the-art, multi-million-pound Food and Farming Innovation and Technology Centre ('FFIT'), the only one of its kind in the UK. • We're OFSTED rated GOOD with 'highly effective teaching, setting high expectations and clear priorities to improve quality of provision, and delivering high quality vocational learning that responds to local, regional and national needs.' • We are the skills provider of choice for students at further, higher and post-grad education level, as well as employers. We have extensive industry links, from SMEs through to global brands, changing the lives of local people every day. Our substantial apprenticeship provision engages with more than 1,200 employers, supporting around 1,500 learners across a range of key sectors in the county. • We've an unrivalled track record for providing opportunities for all to succeed and delivering exceptional pass-rates. We're rated GOLD in the Teaching Excellence Framework - an assessment that highlights quality teaching and learning across higher education providers in the UK. • Myerscough is proud to have its roots in Lancashire, but our branches are truly global. Take a look on our website to browse courses and more: https://www.myerscough.ac.uk/.
