

RQT: RECENTLY QUALIFIED TEACHER DEVELOPMENT PROGRAMME

“Our greater strength comes from the people we surround ourselves with” (Big Potential by Shawn Achor)
Teaching is, far too often, a solitary activity. Endeavour Learning Trust have created an environment where collaboration, collegial support for solving important problems along with input from an expert leader are genuinely contributing to improvements in practice and outcomes.

Our Teaching School, would like to offer you an enhanced CPD support for Recently Qualified Teachers to ensure they continue to grow as teachers. The aim of the programme is to support teachers past their NQT year, continuing their development as well as give them opportunities to network and collaborate.

We would like to offer five sessions in the year and an internet based platform to share and collaborate on ideas, blogs, articles and resources throughout the year. After the original meeting to introduce the programme, our aim is to cover the following aspects in our sessions:

- The modern teacher and their questioning skills- **Monday 7th October 2019**
- Effective use of data to inform planning and teaching- **Tuesday 3rd December 2019**
- Next level challenge and differentiation to cater for individual needs- **Wednesday 5th February 2020**
- Developing your own CPD- **Monday 23rd March 2020**
- What's next in your career?- **Tuesday 30th June 2020**

Venue: Tarleton Acedemy, Hesketh Lane, Tarleton. PR4 6AQ

Session times: 4.00-5.30pm

Fees: £50 per RQT for Alliance School members, £75 for non-members

For more information or to book at place, please contact Chris Banks, PDO, Endeavour Learning Trust pdo@endeavourlearning.org
