Things to remember...

- If you miss a lesson... there is no extra time, the deadlines are not transferrable as the exam date doesn't move.
- Refer to help sheets and guide sheets.
- Refer to examples in the classroom.
- Use writing frames and help sheets, do not copy and paste anything at all, explain your thoughts, feelings and opinions.
- Art rooms are open at lunchtime.
- After school support sessions for one hour on a Thursday.
- A deadline is when the work is to be handed in. This means complete and reflecting your ability. Substandard work is not acceptable.
