

ENFIELD ACADEMY OF NEW WALTHAM

JULY NEWSLETTER

Welcome to our July newsletter! The end of the school year is fast approaching, and this is our final newsletter of the school year. Everyone here at Enfield would like to thank you for your continued investment and support for Enfield Academy. We are a team and that includes staff, children and their families. Without you, our children would not have thrived the way they have this year. So, from us all, thank you!

We are due to have some site work carried out over the Summer Holidays to make our site even safer and there will be some changes to the way all parents/carers and children enter the school site when we return in September. We will update you before school returns after the summer holidays. We hope you all have a lovely summer break, when it arrives, and hopefully the sun will continue to shine.

Summer Games evening- Thank you to everyone who attended our Games Evening organised by the School Councillors. It truly was an event enjoyed by all! With your amazing support we have raised **£805.20!!** The money will be put towards enhancing our outdoor spaces with more equipment for all our children.

PE update from Mr Coulam- WOW! What a fantastic Sports Day we had! It was wonderful to see every child taking part with enthusiasm, determination, and excellent sportsmanship. We are incredibly proud of all our children for the effort they showed throughout the day.

A huge thank you goes to our dedicated team and to Cleethorpes Academy for their support in making the event such a success. We would also like to thank all of our parents and families for coming along to cheer on the children. Your encouragement and commitment helped to make the day special.

As our PE events and fixtures come to a close for another successful year, we are proud to reflect on everything our children have achieved. This year, we have taken part in **20 external sporting events**, delivered a **whole-school dance event**, and hosted a **Key Stage 2 Rounders event**. These opportunities demonstrate our ongoing commitment to providing a broad, inclusive, and enriching PE and school sport offer for all of our pupils.

Finally, a heartfelt thank you to all of the parents and carers who have supported us throughout the year by transporting children to and from events. Your generosity, flexibility, and continued support make these opportunities possible, and we are incredibly grateful. Thank you for helping us provide such valuable sporting experiences for our children.

Reading, an update from Mrs Johnson- As we come to the end of another busy and joyful year at Enfield, it's been wonderful to look back on everything our children have achieved—from growing as readers to supporting each other as leaders, helpers and ambassadors. One of the highlights this

term has been **Freeze Pop Friday**, which has been a huge success thanks to the enthusiasm of the children and the incredible support from our families. We're now heading into our **final 2 weeks**, and with one last big push we are delighted to say that **we will definitely be able to buy our new reading shed for the playground**. This will give our quieter readers a calm, cosy space to enjoy their books at breaktimes. Thank you so much for your continued support, donations and encouragement—you've helped make reading a real priority at Enfield, and we couldn't have done it without you.

School council- an update from Miss Brown- Our School Councillors have had a fantastic end to the year, successfully organising and running our Summer Games Evening. The event was a wonderful success, and we would like to say a huge thank you to all the families who came along and supported us—it was lovely to see so many members of our school community enjoying the evening together.

The councillors have also said farewell to this year's Youth Council, but they are excited to see the lasting impact of the work they have been involved in. Over the coming months, their ideas will continue to be brought to life, including relocated bus stops, improved signage at the BMX track, a new local area map, and many other community improvements. We are incredibly proud of everything our School Councillors have achieved this year and look forward to continuing our brilliant work together in the future!

Cyber Crew- An update from Miss Sethi- This half term, Cyber Crew has been collaborating on the school newspaper project. We have enjoyed getting outside and interviewing children from across the school to gather their views, opinions and experiences. This has given us the opportunity to develop our communication skills while helping to ensure that pupil voices are represented in our newspaper.

Using our iPads, Cyber Crew members have been recording interviews and working together to edit the footage and audio. We have explored different ways of capturing information and presenting it in an engaging format for our school community. It has been wonderful to see the children growing in confidence as reporters, interviewers and editors, while developing their digital skills. We are excited to share the final newspaper and celebrate the hard work and creativity of everyone involved.

Dates for your diary

Monday 6 th July	Top up swimming lessons begin for Y4,5 and 6 (morning session)
Friday 10 th July	Annual Reports to Parent sent home
Wednesday 15 th July	Nursery N2 Graduation 2pm
