The clubs will be run by either registered, qualified coaches, members of staff or instructors who have been given training in their chosen activity; children should wear appropriate P.E. kit and be prepared to play football in the rain - pitch allowing! All clubs are open to boys and girls unless otherwise stated. The pre/after school clubs give the children opportunities to learn and develop their skills, gain awards or reach competition level in their chosen activity. Some of the clubs have limited places due to health & safety restrictions. Guidance for all the clubs' number limits will be through liaising with the individual club coaches.

Points to remember - Please let the school know in advance if your child is unable to attend an after school club which he/she has registered for. The cost of sessions are only refundable if the club provider is unable to run the session due to unforeseen circumstances. Parents need to collect their children promptly at the end of the after school activity, or make school aware of any alternative arrangements.

For details of online bookings - please see the additional information on each company's email flier.
