

## Chaffinch Learning Grid - Week commencing 18<sup>th</sup> May

Phonics - au, or, aw sound. Write down some words you can think of with these sounds in. You could use 'siri' to check your spelling. Have a go at 'or' sheet.	Phonics - Watch the 'Alphablocks' video for 'wh' and 'ph' sound. Can you draw and label some words with those sounds in.	Phonics - Watch the 'Alphablocks' video for 'ur' sound, now write down others ways you can make the sound. Can you have a go at the 'ur' piggy bank activity?	Phonics - go through your action words provided in your first home learning pack. Have a go at the common exception work booklet over the next couple of days.	Phonics - go through your action words provided in your first home learning pack. Have a go at the common exception work booklet over the next couple of days.
English - Write a thank you note to someone who you think deserves it. It could be family or someone win the wider community.	English - Create a poster giving people ideas of things they might be able to do while at home. You can draw pictures and then label what the activity is.	English - Can you draw a picture of a real life superhero and write about their job. You could write about a police officer, firefighter, nurse, doctor or vet.	English - Can you write a diary entry? You can use a computer or a pencil about your time during 'lockdown'. What have you been doing?	English - Can you write a recipe for a delicious ice-cream sundae? You could even have a go at making it after.
Maths - Can you go on a shape hunt around your home? Draw and label the shapes you find.	Maths - Go outside and collect sticks and stones, then use them to make some 2D shapes. What shape did you make? Can you tell a grown up about your shape?	Maths - Can you complete the 3D shape worksheet?	Maths - Can you use play dough (if you do not have any there are some easy recipes to make some online) and create some 3D shapes. Can you talk to an adult about the shape you have made? What is special about it?	Maths - Learn about halves and quarters, make a pizza or a bun, share it with someone in your house by cutting it in half. Can you do the same with quarters?
PE - Can you create an obstacle course in your garden? Be creative with the objects and recourses you use.	Science - Go outside on a nature walk, how many of the things can you spot from the nature walk sheet provided.	Art - Can you follow the Youtube clip to help you draw a Scottie dog like Nick Sharratt? Follow the link below.	Computing - Have a go at making a cake using the coding program. You might need some adult help to begin with. There are some good designs I made a space one. The link is below.	DT - Can you create a nature sculpture using natural objects? Research the artist Andy Goldsworthy for inspiration.
Reading - Can you use Zoom or any other video calling App and read someone who is not in your house a story? It could be auntie, uncle, grandparent or friend.	Reading - Can you find and read a poem that you like? My favourite poets are Michael Rosen and Ian Bland. I look forward to hearing about yours.	Relaxation - Can you have a go at some mindfulness colouring in the garden? I have put some sheets you can use in our learning folder.	Reading - Can you listen to a story? You may have some audio books of your own or you can have a look at 'Jacanory Junior' or Cbeebies bedtime stories.	Challenge - Set the table for a family dinner. Can you help to clean up after?
Reading - Can you make up a story of your own to tell to someone?	Reading - Can you have a go at Dragon's Den on phonics play? Please use the 'ph' sound game.	<b>DON'T FORGET TO POST A PICTURE ON DOJO!</b>
