1. Aims

The Enquire Learning Trust aims to meet its obligations with regards to school attendance by:

- emphasising that it is the responsibility of everyone in the Academy to improve attendance and punctuality.
- ensuring that all pupils access a full-time education which meets their needs and allows all to realise their potential.
- striving to provide a safe and caring environment where each child can engage in all opportunities offered.
- working with children and their families to ensure every child has good attendance and punctuality.
- challenging the behaviour of those children and parents/carers who give a low priority to attendance and punctuality.
- providing an effective system of communication with parents/carers together with appropriate agencies to provide mutual information and support.
- developing IT-based attendance recording systems in order to provide accurate information and to use suitable tracking strategies to recognise any trends that can damage good attendance and learning.

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly and will promote and support punctuality in attending lessons.

Our Academy

What you can expect from Enfield Academy of New Waltham:

- We will promote good attendance and punctuality and will investigate any unexplained and/or unjustified absence.
- We will work closely with parents/carers where child's absence is cause for concern.
- We will support children to achieve good attendance and punctuality.
- We will support children returning to school after prolonged absence.

What Enfield Academy of New Waltham expects from Children:

- To attend regularly and on time
- To be punctual to all lessons
- To ensure that they register for all timetabled lessons and inform the office where appropriate if they are not able to be registered.
- To ensure all messages and notes from parents/carers are taken to the appropriate place.

What Enfield Academy of New Waltham expects from Parents/Carers:

- To ensure their child attends the academy on those days it is open, dressed in full uniform and equipped to learn.
- To ensure their child attends every day the Academy is open unless they are too ill to do so.
- To avoid keeping their child away from the Academy for any reason other than illness or other authorised explanation (see overleaf).
- To avoid arranging holidays during term time
- To immediately inform the Academy if their child is unable to attend (by 9.30 am where possible), including the reason for absence and expected date of return.
- If no indication of a return date has been given, parents/carers should contact the Academy on each day of absence.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

This policy complies with our funding agreement and articles of association.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school between 8.50 - 9am* on each school day.

The register for the first session will be taken at 9am* and will be kept open until 9.30am*. The register for the second session will be taken at 1pm* and will be kept open until 1.30pm*.

**This information is accurate during 'normal times'. During 2020 – 2021, classes start at staggered times, due to the covid-19 pandemic. Registers will stay open for 30 minutes only after the register is taken in each class at the staggered start time.*

3.2 Unplanned absence

Parents/Carers must notify the Academy on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9.30am or as soon as practically possible (see also section 6).

Parents/Carers should contact Enfield Academy by telephone (01472 321434) on the first and subsequent days of absence, as early as possible and no later than 9.30am. An audio message can be left on the Academy answerphone via the number above on 'option 1'.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Parents should contact Enfield Academy by telephone (01472 321434) or by email on: admin@enfieldacademy.co.uk as early as possible in advance, to give notification about an appointment.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the code - L.

A pupil who arrives after the register has closed will be marked as absent, using the code - U.

Repeated lateness is reported to the Principal by the Admin Officer, who then reports to parents/carers (if a child travels to school unaccompanied). Persistent lateness triggers a standard text and/or phone call from the Principal (depending on analysis of reasons). If a family is deemed to have ongoing punctuality issues, the Principal will offer support and hold a discussion to elicit why there is a problem and how this can be overcome.

Repeated lateness after the register has closed may be dealt with in the same way as absence. Parents/Carers may be issued with a Penalty Notice or even prosecuted in the Magistrates Court.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

If the parent/carer of an absent child has not contacted the Academy by 9.30am, a standard text is sent, as follows: "#NAME has not turned up at school today, please could you call the school immediately to update us." If no contact is made by 10am, the Admin Officer contacts the parent/carer by phone directly.

If the phone is not answered, the Admin Officer phones every number identified on the contact list, until an explanation has been sought. If the list has been exhausted, with no information forthcoming, either the Principal or the EWO will undertake a home visit.

Authorised/Unauthorised Absence

Authorised absence is where the Academy has given approval for absence in advance or where the explanation given afterwards has been accepted as satisfactory justification for the absence. Parents/Carers may not authorise absence; only the Academy can do this.

3.6 Reporting to Parents/ Carers

Parents/Carers receive a termly text and a written end-of-year report with information about their child's attendance record.

4. Authorised and Unauthorised Absence

4.1 Granting Approval for Term-time Absence

Principals may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

'Exceptional circumstances' are not defined in the guidance document and it is therefore up to each Principal to decide what he/she considers to be exceptional. Principals are required to consider each application individually and make decisions based on the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Exclusion
- Exceptional family circumstances e.g. bereavement of close immediate family
- Involvement in a public performance (Authorisation is at the Principal's discretion)
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision.

Ofsted should not criticise schools for absences of Traveller children, providing the school can demonstrate that it:

- has used the registration codes correctly
- is strategic and proactive in communicating with Traveller parents about their travelling patterns on a regular basis
- is strategic and proactive in ensuring excellent attendance when the children are not travelling
- provides distance learning materials in accordance with good practice
- provides Travelling families with the parent held education record before they travel
- includes specific guidance for Travellers in the school's attendance policy and ensures the policy is accessible to parents
- evaluates its provision for narrowing the gap in attendance for Traveller children in the school self-evaluation form
- evaluates its provision for narrowing achievement gaps for Traveller children in the school self-evaluation form.

Holidays

Pupils **will not** be granted authorised absence for holidays during term time unless there is an exceptional circumstance (see definition section 4.1)

Unless authorised due to an exceptional circumstance, any holidays taken will be unauthorised and parents/carers may be subject to legal sanctions.

4.2 Legal Sanctions

Schools can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60.00 within 21 days, rising to £120.00 between 21 – 28 days. The payment must be made directly to the local authority. A penalty notice will be issued per parent, per child. For example, if there are 2 parents and 2 children, this will be a total of 4 penalty notices.

The decision on whether or not to issue a penalty notice ultimately rests with the Principal, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

How We Respond to Absence/Lateness

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. If difficulties cannot be sorted out in this way, the school may refer the child to the Education Welfare Service. The EWO (Education Welfare Officer) will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed, these officers can use court proceedings to prosecute parents or to seek an Education Supervision Order on the child. The maximum penalty on conviction is a fine of £2500 and/or 3 months imprisonment.

The school aims always to work with parents/carers and support them in ensuring their child has a good attendance record. Where attendance drops, parents will be notified as follows:

- persistent lateness will trigger a standard text and/or phone call from the Principal
- attendance at/below 95% will trigger a standard text and/or phone call from the Principal
- attendance at / below 90% will trigger a phone call from the Principal and possibly an attendance meeting with the Principal to look at ways of improving the attendance

If absence is persistent or there is cause for concern, it is the school's duty to inform the EWO, who will make regular home visits.

Children have attendance at / below 95%	95% is a start for concern. A text is sent to parents/carers to inform and advise and/or phone call from the Principal (depending on an analysis of reasons given). Attendance is monitored for two weeks.
After 2 weeks of monitoring, attendance has still not improved, and/ or there are additional absences – Letter 1 is sent.	Letter 1 explains the reasons given for absence so far, and that this has led to an unacceptable attendance level (unless analysis of reasons given is authentic and evidenced). This is the beginning of a second monitoring period of 2 weeks.
After 2 weeks of monitoring, attendance has improved.	A positive text is sent to parents/carers to inform them and no further action is taken.
Children have attendance at / below 90%. Letter 2 / letter from EWO is sent.	If attendance has dropped below 90% your child is now classed as a persistent absentee. The letter states that unless there is a significant improvement, a meeting will be held in school to form an attendance action plan (unless an analysis of reasons given is authentic and evidenced). This is the beginning of a monitoring period of 2 weeks.
First attendance meeting.	If attendance remains below 90%, a meeting is called with the Principal (and possibly EWO). At this meeting, targets are set and an attendance

	<p>action plan is formed with the family.</p> <p>If the family do not attend, the plan will be made by the Academy/EWO and sent home.</p>
Letter to state that sickness must be evidenced.	If a child has attendance below 90% due to an unusual amount of sickness, this letter makes it clear that the absences will be marked as unauthorised absences unless there is a form of medical evidence. This could be medicine prescribed, a note from the doctor or appointment card.
Second attendance meeting – with EWO.	If attendance is still below 90% after the attendance action plan, this meeting is held to make clear what the next steps are, and what letters will be issued after the meeting.
First legal warning letter	This letter states that there are serious concerns regarding the child's attendance, and that, unless there is significant improvement the case will be referred to the magistrate for prosecution. This begins the final monitoring period.
Final Legal Letter	This letter states that the school has referred the attendance case to the local authority, and that there is to be an intent to prosecute.
Court Date	<p>A court date is set. Evidence is filed, and a magistrate makes a decision. At this point, parents are able to present any mitigating circumstances – Including any relevant medical evidence.</p> <p>All parties are informed of the court decision.</p>

5. Strategies for promoting attendance

The majority of pupils at Enfield Academy of New Waltham have a good attendance record. This is underpinned by our vision that every child has the right to 'soar to success' and so needs to be in school each and every day.

To reward excellent attendance, the class each week with the best attendance is announced in a weekly assembly and the class name is displayed on the special Attendance Board. The class is awarded a session of 'choosing' – this may be an extra break, free time playing games etc, at the discretion of the class teacher.

Children who have 100% attendance	At the end of each academic term, every child with 100% attendance receives a certificate in a special assembly and is put into prize draw for a £20.00 voucher to shop at Smyths Toys. A text message of congratulations is sent to parents/carers. At the end of the academic year, every child with 100% attendance for the whole school year also receives a medal.
Children who have attendance above 95%	Children contribute to the weekly attendance award for their class – which leads to special events and weekly rewards. A text message of congratulations is sent to parents/carers.

6. Attendance Monitoring

The Principal monitors pupil absence on a daily basis (where individual concerns persist) and the whole school on a weekly basis. Children who are deemed to be at risk of becoming a persistent absentee (based on the previous year's attendance record and/or current record) are monitored daily.

Parents are expected to call the academy in the morning, before 9.30am if their child is going to be absent due to ill health (see section 3.2).

Parents/Carers are expected to call the academy each day a child is ill.

If a pupil's absence goes above five days we will contact the parents to discuss the reasons for this.

If after contacting parents a pupil's absence continues to rise, we will consider involving an education welfare officer.

The persistent absence threshold is 90%. If a pupil's individual overall absence rate is greater than or equal to 90%, the pupil will be classified as a persistent absentee.

Absence at this level is doing considerable damage to any child's educational prospects and we need parents'/carers' fullest support and co-operation to tackle this. Any child whose attendance has reached the PA threshold or is at risk of moving towards that threshold is given priority for intervention. Intervention will be via:

- An action plan to improve attendance will be created which may involve an attendance panel meeting and referrals to other agencies alongside meetings between relevant Academy staff and parents/carers.
- Where parents/carers fail to co-operate with support and strategies provided by the Academy, further advice may be sought which could lead to legal sanctions being imposed.

Persistent Absence data is communicated to the relevant Local Authority via the School Census on a termly and annual basis.

Staff work in partnership with the local Police, PCSOs and the EWO to support pupils and their families who have become persistent absentees.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average and share this with the Academy Improvement Committees.

Enfield Academy collects and stores attendance data through an electronic management system, SIMs. Daily and weekly absence reports are generated and shared with the Principal. Reports are also generated for specific groups of pupils, such as persistent absentees, SEN children and vulnerable children to evaluate any emerging trends, so that support can be offered in good time.
