

PSHE

In this half term, we will be talking about what it is to be a kind friend. We will focus on how we can help and be kind to one another and will discuss what bullying is.

RE

In this half term, we will be focusing on Islam. We will be learning about Shahadah and the five pillars of Islam.

Music

In this topic, children will be developing their skills of pulse, rhythm and pitch. Children will sing, play and dance to the music. Children will play and compose music using the notes: C D E F G A.

Art

In this topic, children will develop their fundamental drawing and painting skills. They will explore natural objects and learn how to select and arrange them. Children will develop their sketching skills and fine art painting.

Kingfisher Class Autumn One

Technology Then and Now

Science

In this topic, children will learn about the basic needs that all humans need to survive. They will study more closely the importance of exercise, a healthy diet and good hygiene as ways to keep us healthy. They will also look at offspring of different animals and how they develop and change into adults as they grow. Finally, children will also look at ways to keep themselves from becoming ill as well as things they can do if they do become ill.

PE

In this half term, we will develop the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping. Children will be given opportunities to work with a range of different equipment. We will also be practicing our fundamental ball skills such as throwing and catching, rolling, hitting a target, dribbling with both hands and feet and kicking a ball. Pupils will have the opportunity to work independently, in pairs and small groups.

History

In this topic, children will explore how technology has changed through time. They will explore famous inventors from the past and will perform an in-depth study into Alexander Graham Bell. Children will explore what it is to be an historian and will begin to develop their historical enquiry skills.

Computing

In this half term, children will be focusing on the importance of e-safety and understanding how to stay safe online.
