

## Enfield Year 6 Lockdown Leavers' 2020

Hi everyone, I hope you are all safe and well.

It is nearing the end of the school year and my thoughts have now turned to preparing for Year 6 Leavers'. I would like to put together a keepsake book for each of you to take away at the end of the school year. As is tradition, I would like these books, amongst other things, to include your memories of your time at Primary School.

*So what do you need to do?*

I would like you to think about your journey through primary school whether that has been entirely at Enfield or you have attended different schools.

Split your work into sections, one for each year at school, starting with EYFS. Think carefully about each of these years and write a few sentences about it.

You might want to include answers to the following questions.

What school did you start at, who was your teacher, who were your friends and were there any memorable moments during these years e.g. did you go on any trips?

I know it will be tricky to think that far back but please try really hard!

Your final section should be about what you have enjoyed the most about primary school and what you are looking forward to in the future at Secondary school. Please think carefully about presentation, as these will be shared with the entire class.

*For this to be a lovely keepsake, it is important that each of you contribute to it.*

Please can your completed work be emailed to me at [j.lowe@enfieldacademy.co.uk](mailto:j.lowe@enfieldacademy.co.uk) or delivered to the school office by no later than 9am, Friday 26<sup>th</sup> June.

Thank you!!  
Mrs Lowe
