

# MARCH NEWSLETTER

Welcome to our March newsletter. Again, it gives me great pleasure to say that it has been lovely to see the fantastic uptake by our children to our new clubs and activities since February half term! It is great to finally welcome Samurai Hearts back to Enfield with the return of their breakfast club. There are still spaces available at this club!

**Building work update!** The building works are well and truly underway. The old Nursery building has been removed from the school site and already we can see the foundations of the new classrooms. This really is an exciting moment for Enfield as we begin to see what the new part of our school will look like. Also, a big thank you to all of our parents who have made the extra effort to park away from Priors Green car park! This has made a big improvement to the safety of our children as they access and depart from the school site.

**Uniform.** Please can all parents ensure that children are arriving at school in the correct school uniform where possible. We are seeing an increasing number of football tops on PE days and children wearing black hoodie jumpers which unfortunately are not part of our uniform policy. Our new saying is 'look smart, think smart'!

**Staffing Update-** As you are all aware, Mrs Page will sadly be departing Enfield at the end of this term. Mrs L Johnson will be joining the Enfield Teaching Team in Mrs Page's place. I am sure you will all join me in wishing Mrs Page well as she ventures into pastures new! Miss Miller will also be departing at the end of the first week of next half term. We are currently in the process of recruiting for Miss Miller's replacement and we will keep you informed as to the outcome of this process.

**Alan Mackenzie Online Safety update- Screenshot- Video length: 7 minutes.**

Welcome to the 7th video in this online safety series. Screen time is a very subjective area, different people will have different opinions. In this 4-minute video I give you my opinion about screentime and some advice. Below the video link I have also added some links which you should find useful.
