

ONGOING:

Children will complete mental arithmetic, basic skills, reasoning, problem solving and times tables activities throughout each week in order to deepen and consolidate essential mathematical skills.

Fluency Facts Focus:

Main Learning Focus:

Year 3

Multiplication and
Division

Week 1 & 2

Book F: 3 Times Table

Week 2 & 3

Book G: 6 Times Table

Week 5

Book H: 9 Times Table

Multiplication and Division Block A (5 Sessions)

- recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables.
- write and calculate mathematical statements for multiplication and division using the multiplication tables that they know.

Multiplication and Division Block B (8 Sessions)

- write and calculate mathematical statements for multiplication and division using the multiplication tables that they know, including for two-digit numbers times one-digit numbers, using mental and progressing to formal written methods.
- solve problems, including missing number problems, involving multiplication and division, including positive integer scaling problems and correspondence problems in which n objects are connected to m objects.

Length and Perimeter (10 sessions)

- measure, compare, add, and subtract lengths (m/cm/mm).
 - measure the perimeter of simple 2-D shapes.
