March 2021 Newsletter

Dear Parents / Carers,

Many thanks for your commitment to remote learning and supporting your children at home during this latest lockdown. If your children have been attending school, many thanks for ensuring they were happy to attend and make the most of this opportunity.

Either way, it is lovely to see the children's smiling faces as they are all back together with their whole class groups. They were all given a glimpse of every class this morning via our online assembly, so that they could wave to each other.

Our attendance today is 100% - a fabulous start to the whole school re-opening! Well done for motivating your children to be back and on time.

Please be assured that we still have all safety measures in place for the children and staff – with ventilation and handwashing being a high priority. Our windows will be open, regardless of the outside temperature. So please ensure your children have layers on to keep wrapped up.

I noticed already today that some children are choosing to keep their coats on indoors – hopefully it will start to warm up during spring!

Stay safe and well,

A Scott

More Dates for 2021

Fri 19 March   Red Nose Day
Details coming soon!

Week beginning Monday 22nd March:
Parent Appointments - via telephone or Teams. Watch out for a letter via email with an online booking link!

Government Reminder

England is still in a national lockdown. You must stay at home, leaving only where permitted by law, and follow the rules in the national lockdown: stay at home guidance.

School Clubs

We hope to start up school clubs again after the Easter break, including the football team. A short survey will be online soon, to help us to find out which clubs the children would most like to attend.
