September 2019 Newsletter

Dear Parents / Carers,

Welcome back to the new school year! I hope you have all had a lovely break and that your children are ready for an exciting term.

I wish you and your children a successful and happy start to the new school year.

We are 'going bigger' on outdoor learning this year (see panel opposite) so wellies at the ready! Amanda Scott

Building Learning Power

Following a review of the Yoimoji system of rewards we had put in place during the last academic year, we have decided to return to Building Learning Power (BLP), which we believe links better with our key drivers of ambition, resilience and collaboration.

You will be receiving an updated booklet in the next few days, explaining how BLP supports children at Enfield, including the types of learning behaviours we will endeavour to foster in your children. Our awards in assembly will link to these behaviours!

Excellent Reading Results 2019

100% of Enfield pupils reached the expected standard in reading in their SAT tests this year, with 50% of them achieving the higher standard. We are so proud!

Reading Certificates

Please encourage your children to get started with their reading again – let's keep up with our amazing results. Remember to sign after each reading session (one per day) to ensure they receive their certificates and rewards.

Staffing Update

A big welcome to Mrs Call, who has joined our lunch-time staff this term.

New Starters Also, a big welcome to our many new starters across the school, who have arrived from far and wide.We hope you all have a fabulous time at Enfield and enjoy a great learning experience!

Outdoor Learning

We are planning a range of outdoor learning opportunities for our children during this academic year.

We have appointed an 'Outdoor Learning Teaching Assistant' (Miss Forrester) to work alongside teachers to provide weekly opportunities to undertake learning outdoors.

We have organised our first local residential visit (an overnight stay) for Year 2 children this term. We hope to include other year groups across the year, culminating in our PGL visit for Years 5 and 6 in the summer term.

We are excited to offer children the experience to learn outside in an alternative environment - while enabling them to develop key skills including independence, resilience and collaboration - all of which contribute to happiness and well-being.

Dates for your diary Please see the document, which was distributed last week via email, for the year's dates.

Water bottles

We encourage our pupils to bring a water bottle into school – for hydration across the day. Please note – we do not allow juice – ONLY water! Thank you.

Silver School Games Mark Award for Enfield! Congratulations and a huge thank you to Mrs Page, our PE Leader, for ensuring that Enfield received, once again this year, the coveted 'Silver School Games Mark' Award. A great success for all of the hard work put in by Mrs Page and the children of Enfield.
