Subject: Hi!

Hi Grandma,

Today we went to the very top of the mountain. Guess how we got up there?

First, we went in a buggy. It was a very

bumpy ride. Ouch! Next, we went on a little train. It took us almost

to the top. After that, we walked up a path. Finally we reached

the summit! The view was amazing!

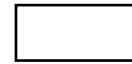

It was very cold and windy up there.

I was glad I had my fleece on.

Love from Maya
