1. Aims

This remote learning policy for staff aims to:

- Ensure consistency in the approach to remote learning for our pupils
- Set out expectations for all members of the school community with regards to remote learning
- Provide appropriate guidelines for data protection

2. Roles and responsibilities

2.1 Teachers

When providing remote learning, teachers must be available between 8.30am and 3.30 pm. If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When providing remote learning, teachers are responsible for:

Setting work-

- Providing work for pupils who are not attending school due to Covid restrictions or who are self-isolating
- Providing work that is, at a minimum, 3 hours per day
- Providing tasks in a timely manner (published to ClassDojo by 9am each morning) so that pupils are able to access learning opportunities within the agreed time
- Liaising with other colleagues where appropriate to ensure that cohorts have a consistent offer (Year 3s only)
- Considering different approaches for the delivery of learning where pupils have difficulty accessing learning online
- Where live lessons are provided and there is only **one** adult present, these lessons should be recorded for safeguarding reasons
- Work should be uploaded onto the ClassDojo platform, with a link provided daily to a page on Wakelet.

Curriculum provision-

Teachers will be expected to:

- offer a broad and balanced curriculum
- teach a planned and well-sequenced curriculum so that knowledge and skills are built incrementally, with a good level of clarity about what is intended to be taught and practised in each subject
- use a curriculum sequence that allows access to high-quality online and offline resources and teaching videos and that is linked to the school's curriculum expectations
- provide frequent, clear explanations of new content, delivered themselves or through high-quality curriculum resources or video
- consider the benefits of synchronous or asynchronous learning and make decisions as to which is most suitable for the intended learning
- adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding

- provide adapted learning resources for children with additional learning needs, i.e. SEND or where English is an additional language.

Members of the leadership team will be available to support any teachers when setting and accessing remote learning resources.

Academies must have systems for checking, at least weekly, whether pupils are engaging with their work, and inform parents immediately where engagement is a concern. At Enfield – teachers must email the Principal, by 9am every Friday morning, a list of all children in their classes, who have not engaged with any learning for the week. The Principal will contact the parents / carers every Friday afternoon, as appropriate.

Providing feedback on work-

- Teachers will be expected to assess pupils' work and provide pupils with feedback.
- Completed work from pupils should be shared on the ClassDojo platform
- Feedback with pupils will be shared through the ClassDojo platform and / or by pupil emails
- Teachers will provide feedback on completed work in a timely fashion (within 48 hours of pupils submitting a piece of work) due to the high demands of on-site teaching

Keeping in touch with pupils who aren't in school and their parents –

- Academies are expected to keep in contact with pupils and families who are not in school at least fortnightly. This may be more frequent for particular circumstances eg safeguarding reasons, pupils who are having difficulties completing work remotely.
- Teachers and Teaching Assistants will keep in contact with pupils through the Class Story on the ClassDojo platform and with parents through the messaging function on the ClassDojo platform
- At Enfield – teachers must email the Principal, by 9am every Friday morning, a list of all children in their classes, who have not engaged with any learning or communicated with the teacher during the week. The Principal will contact the parents / carers every Friday afternoon, as appropriate.
- Additional phone calls will be made to parents/carers of any child where concerns have arisen
- Wherever possible, staff should not be expected to respond to communications received from parents and families beyond their normal working hours (beyond 5pm).
- Any complaints or concerns shared by parents and pupils, that the teacher cannot deal with, should be forwarded to SLT; for any safeguarding concerns, see the section below

Attending virtual meetings with staff, parents and pupils –

- Staff should adhere to the school's dress code
- Staff should avoid areas with background noise and ensure there is nothing inappropriate in the background. We would recommend using background 'wallpapers' when using Microsoft teams.

2.2 Teaching assistants

When assisting with remote learning, teaching assistants must be available within their normal hours of work.

If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When assisting with remote learning, teaching assistants are responsible for:

- Supporting pupils who are and are not in school with learning under the direction of the class teacher or school leadership team.

Attending virtual meetings with teachers, parents and pupils –

- Staff should adhere to the school's dress code
- Staff should avoid areas with background noise and ensure there is nothing inappropriate in the background. We would recommend using background 'wallpapers' when using Microsoft teams.

2.3 Subject leads

Alongside their teaching responsibilities, subject leads are responsible for:

- Considering whether any aspects of the subject curriculum need to change to accommodate remote learning
- Working with teachers teaching their subject remotely to make sure all work set is appropriate and consistent
- Working with other subject leads and senior leaders to make sure work set remotely across all subjects is appropriate and consistent
- Alerting teachers to resources they can use to teach their subject remotely.
- Monitoring the remote work set by teachers in their subject – by reviewing the work set through ClassDojo (as all teachers have access to each other's class stories.

2.4 Senior leaders

Alongside any teaching responsibilities, senior leaders are responsible for:

- Co-ordinating the remote learning approach across the school. At Enfield, this is the Teaching and Learning Lead
- Monitoring the effectiveness of remote learning – regular meetings with teachers and subject leaders, reviewing work set and seeking feedback from pupils and parents, via ClassDojo and Bromcom.
- Monitoring the security of remote learning systems, including data protection and safeguarding considerations
- School leaders should publish information for pupils, parents and carers about their remote education provision.

2.5 Designated safeguarding lead

The DSL is responsible for following the safeguarding guidance detailed within the Enquire Learning trust Safeguarding Policy.

2.6 IT staff

IT Support (TSS) are responsible for:

- Helping staff with any technical issues they're experiencing
- Helping to fix issues with systems used to set and collect work
- Helping the school where possible to advise and guide parents and pupils to get online and access systems used for remote learning

2.7 Pupils and parents

Staff can expect pupils learning remotely to:

- Be contactable during the school day – although consider they may not always be in front of a device the entire time
- Complete work to the deadline set by teachers
- Seek help if they need it, from teachers or teaching assistants
- Alert teachers if they're not able to complete work

Staff can expect parents with children learning remotely to:

- Ensure their children engage with all learning activities set by the teacher
- Make the school aware if their child is sick or otherwise can't complete work
- Seek help from the school if they need it
- Be respectful when making any complaints or concerns known to staff

2.8 Trustees

The governing board is responsible for:

- Monitoring the trust's approach to providing remote learning to ensure education remains as high quality as possible
- Ensuring that the trust's systems are secure, for both data protection and safeguarding reasons

3. Who to contact

If staff have any questions or concerns about remote learning, they should contact the following individuals:

- Issues in setting work – talk to the Vice Principal
- Issues with behaviour – talk to the Principal
- Issues with IT – talk to the admin officer in the first instance, then contact TSS
- Issues with their own workload or wellbeing – talk to the Principal / MHFA – Louise Sargent
- Concerns about data protection – talk to the Academy Business Manager / Principal
- Concerns about safeguarding – talk to the DSL

4. Data protection

4.1 Accessing personal data

Data will be used in accordance to the Trust Privacy Notice.

4.2 Processing personal data

Staff members may need to collect and/or share personal data such as work email addresses as part of the remote learning system. As long as this processing is necessary for the school's official functions, individuals won't need to give permission for this to happen.

However, staff are reminded to collect and/or share as little personal data as possible online.

4.3 Keeping devices secure

Staff should manage devices in line with the Enquire Learning trust Information Governance Policy to ensure that they remain secure. Please refer to the Trust 'Acceptable Use Policy'.

5. Safeguarding

Staff should refer to the Enquire Learning Trust Safeguarding Policy. Enfield's Safeguarding Policy (in line with ELT's latest Policy) can be found on the school website under the 'Safeguarding' tab.

Staff should-

- Record live lessons if working alone. Wherever possible, another adult should be present if streaming live lessons.
- Consider what is in the background if they are recording or streaming live lessons. Wherever possible they should use background 'wallpapers' if this has to be done at home.

6. Provision of Remote Learning when teachers are absent

Wherever possible, pupils will receive remote learning from their class teacher. If the class teacher is fit to work then remote learning approaches will continue as normal.

In some cases, the class teacher will not be able to deliver remote learning. If this is the case, senior leaders will make the decision to

- Continue provision by another member of staff.

OR

- If this is not possible, schools should access pre-planned materials, such as BBC Bitesize and Oak Academy. At Enfield, pupils can also be directed to access their usual online learning platforms, such as Lexia, ReadTheory, Prodigy Maths, Classroom Secrets Kids and TTRockstars / Numbots. This may limit any addition to staff workload. These materials will provide well planned and well sequenced learning as a substitute for the class teacher.

Wherever possible, and in either scenario, schools should seek to maintain the acknowledgement of pupils' work and maintain contact in line with the school's procedures.

At Enfield, we have a process in place to oversee what has already been taught in every class: all of the children's prior learning is saved onto the Class Story for each class on the ClassDojo platform. This enables us to trace prior learning and provide continuity through appropriate tasks.

7. Monitoring arrangements

This policy will be reviewed in May 2022 by J Holbrook. At every review, it will be approved by the board of trustees.
