

Topic Instruction Sheet

After Easter our new topic would have been 'Do cows drink milk?' I have added in some farm related worksheets.

Our main text would have been 'Farmer Duck'

If you don't have a copy of the book at home you can find it on youtube. <https://www.youtube.com/watch?v=Gug6P8l1q6c>

Farm word mat - go through each picture on the word mat and see if children know what they are. Ask if children can read the words.

Farmer Duck counting - Count each farm picture and write the number.

Farmer Duck Story Sequencing - Cut out each picture and place them in a line starting with what happened in the beginning of the story, the middle and the end. Children might need to listen/watch the story again before they begin this activity.

Where does food come from? - Draw line from each item of food to where it comes from.

Where does milk come from? - Go through the powerpoint where does milk come from, then use the milk story sequencing cards to work out what happens from grass to glass.

Mothers and Babies - cut and stick the farm animals to match up the animal and it's baby.

Growing food - Have a go at growing your own fruit and vegetables by playing Get Growing
