Reading Champions showing the Reading Ninja belt certificates

Have you been reading this week? From speaking with many of our children, I know that lots of you have; which is a magnificent start to our Year of Reading pledge - **keep it up!**

In the top left hand corner you can see a number 8 - this is the current maximum number of reads that your child could have achieved so far if you've read 10 minutes every day since we started the Reading Ninja challenge. Each newsletter will keep a track of this as well as celebrating the numbers of children who achieve the certificates.

In our newsletter today you can read about all of the wonderful learning that has been taking place across school this week.

Next week is [National Storytelling Week](#) ([Literacy Trust website](#)) where we celebrate story telling, linked to the Year of Reading.

Finally, we have wished Miss May good luck as she starts her maternity leave! We hope that all goes smoothly for her and the family!

Nursery

By Mrs McIntyre & Mrs Garvey

This half term in PE, the children are practising moving and travelling in a space. This week they imagined a journey to a castle where they had to hop, skip, crawl and jump through a magical forest. They also practised balancing and jumping on and off a bench.

Reception

By Mrs Morris & Mrs McMeakin

This week the children have been investigating objects to see if they float or sink in a bowl of water. They were very excited to see if their predictions were correct or not!

Year 1

By Mrs Halsall & Mrs Blackledge

We have been looking at different materials this afternoon to see which ones are waterproof and not. We looked at the following materials to carry out our experiment- kitchen roll, tin foil, fabric, plastic bag and toilet paper.

"the water is coming through the paper."

"It's making a hole"

Year 2

By Mrs Sothern & Miss Drinkall

As part of their Design and Technology work on Food and Nutrition Year Two have been busy making lots of healthy snacks. They have made a Jam Jar Salad, Tortilla Quiche and last week they made Pitta Crisps. The children have been developing their cutting, peeling, chopping and grating skills.

"I liked the crisps best because they were crunchy."

Y3 have been enjoying working with the gymnastic coach. We have been exploring the different gymnastic shapes and working on improving our balance, rolls and jumps.

Year 4

By Miss Tierney & Miss May

This week Year 4 children wrote some free verse poetry and a personal statement explaining why they would make a fantastic Poet Laureate for their region. Well done Year 4!

Year 5

By Mr Buckton & Miss Gray

We continued our traitor games but this time with arithmetic practice. The children worked well in groups even with the traitors trying to influence answers.

Year 6

By Ms Goulbourne, Mrs Lowe, Mrs Naisbett, Mrs Boylan & Miss Hey

Year Six have collated their D T work in a display that can be found at the top of Year Six stairs. All children have commented on the food created and reflected on how they would improve the recipes if they were to cook the dishes again. Come along and have a look during Open Week!
