Read, Read, Read…

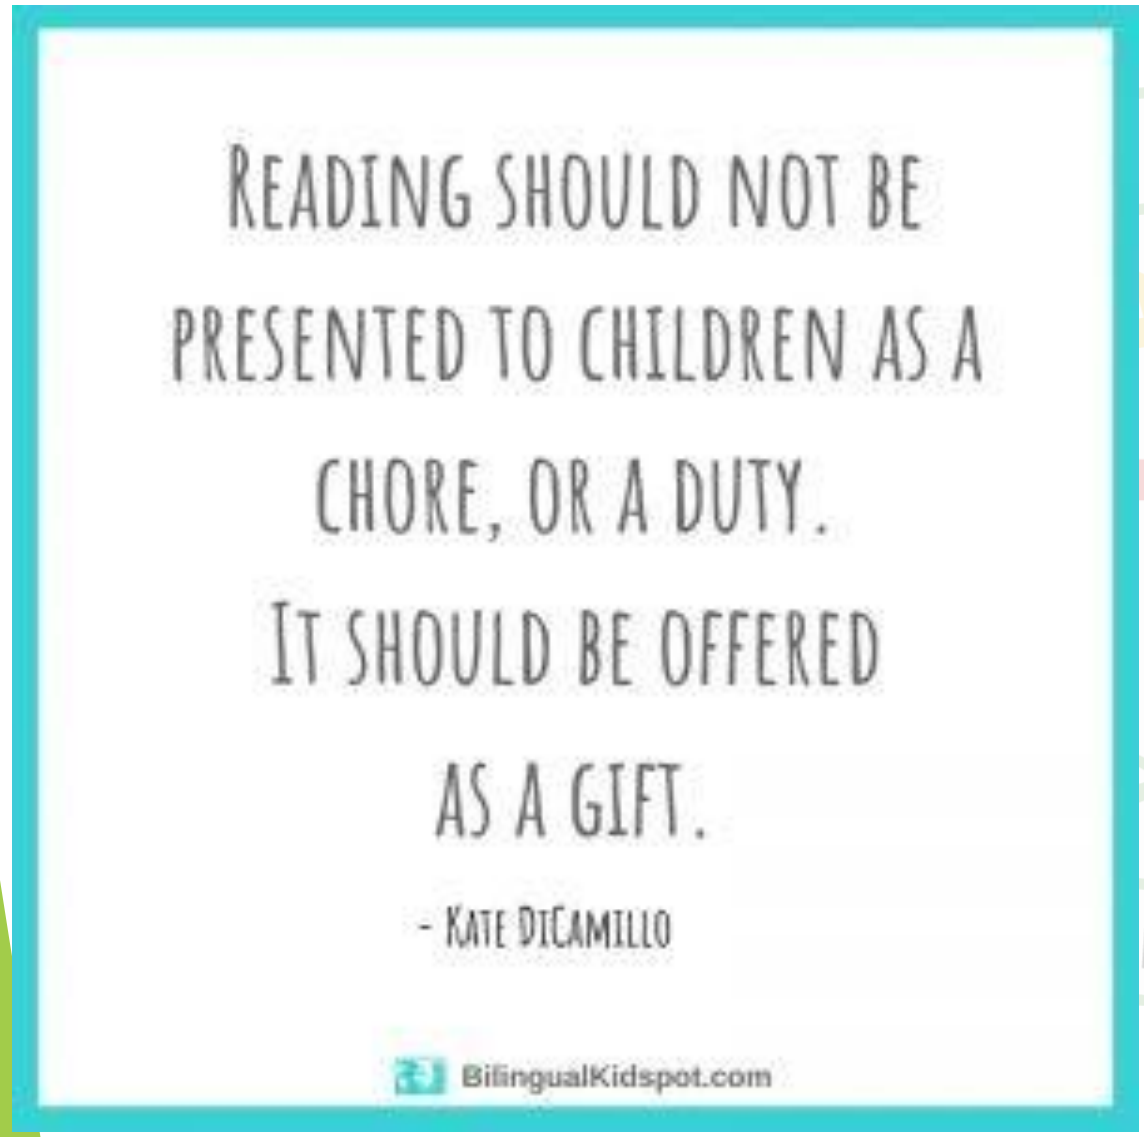

Reading with your child is still essential.

Ask lots of questions and check their understanding of the text.

Reading fluency and speed is important too.

Read, Read, Read…

Read a variety of books, magazines… anything that interests your child.

Reading stamina - children should be able to read continuously for a period of time.

READING NINJA CHALLENGE

Welcome to the READING NINJA CHALLENGE!

To reward the children who read at home, we are taking part in the Reading Ninja Challenge.

The children will be rewarded with Reading Belts in the form of a certificate.

To gain a belt, you need to **read 25 times**.

For a read to count, it has to be at least **10-15 minutes** with an adult.

This could be a school reading book, library book, book from home or comic book!

An adult must sign the reading record book (Only ONE read per day counts) with a maximum of 7 per week.

Class teachers will ask to see your child's reading record each week and keep the total towards the coloured belts.
