

	Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
<b>Nursery</b>	By the end of the Summer term, children will have explored and be able to talk about what they see, using a wide vocabulary. Explore how things work. Plant seeds and care for growing plants.					
<b>Reception</b>	By the end of Summer term, children will have had the opportunity to explore the natural world around them, making observations and drawing pictures of animals and plants. Children will begin to know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Children will begin to understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.					
<b>Year 1</b>	Animals Including Humans About Me	Seasonal Changes	Exploring Everyday Materials 1	Seasonal Changes (revisit) Introduction to Plants	Exploring Everyday Materials 2	Animals Including Humans About Animals Seasonal Changes (revisit)
<b>Year 2</b>	Animals Including Humans	Animals Including Humans	Uses of Everyday Materials	Uses of Everyday Materials	Living Things and their Habitats	Plants
<b>Year 3</b>	Animals, Including Humans	Forces and Magnets	Light	Plants	Rocks	Scientific Enquiry
