lable to my child/ren. I don't think there are enough enrichment clubs on offer/not regularly enough. I can not afford to let my child attend everything she would like to do. She chose gymnastics but would netball, learning an instrument, choir, languages, swimming. I think these skills and values would be would give our children the same opportunities that perhaps children from higher income families can
unity to receive a certificate each week. Some children thrive off positive praise however having only 1 in to receive this reward. An additional certificate for manners/behaviour/attitude etc could be introduced
children are up to and what they might need help with at home. More on-going rather than parents
, girls inlcuded in cricker. Children should be rewarded more ie praise certifcates eg my son not dropped a d or recognised, good kids should be recongised for perfoamance and sef teaching at home eg great

What are the 3 most important issues you would like us to address in the next year? 27 responded

Clicks, clubs, exclusion on playground. Encourage pupils to engage with each other, help all and never leave children on their own

Food! My child is underweight and we are seeking help via GP and girls in her class are making matters worse say u shouldn't eat bread it's bad for u and it bloats! height shaming also just because my daughter is small it shouldn't be a problem with other kids

Unsure, just want my child to be happy & settled in school which they are at present

Mental well being. Confidence building

bit better communication between teacher and parents if something happens in school

Communication

diagnosing dyslexia in year 4

after school clubs to address lost learning and help improve things like maths using games

have confidence in themselves. learn to respect themselves and each other,

Keeping the children phyiscally active as much as possible, Giving the children relaxed fun based activities to support students mental health and social interactions, Continue your hard work making English Martrys the fantastic school it already is.

The children being able to have the school back to normal mixing with other years and having assembly together/ parents invited

More extra curricular activities, educational trips & outings, hot school dinners on offer (at normal charge) for nursery.

Allergy management plans and inclusivity, more specific feedback to allow us to help at home, communicating teaching methods so we can replicate at home Keep doing what you our doing

Issues within class and updates of how they are addressed

Children's individual needs

Equality. Bullying.

more information on your after school clubs, art and design would be good one. more clubs for receprion/year 1 Physical clubs e.g. gymnastics, dance, karate Swimming, gymnastics and football. Not sure what is already available as they don't apply to my little girl yet. But arts and crafts, singing, zumba More of the same. Boys football, a year 4 football team would be great. Keep up the good work
Aware of some children receiving star of the week who have bitten/hit other children when children who haven't displayed these behaviours have never received star of the week, I don't believe this to be fair on children who behave well
happy with the school
Fantastic school, my child is extremely happy and very well educated
by far the best school you could wish your child to attend
we are very happy with the school and everything they offer.

teachers are always available to talk through issues
None.
In the short time my child has been at English Martyrs she has gone from a child who is shy and lacks confidence to a bubbly little girl who always takes an active ro This shows out of school.
