1. Aims

The aims of our first aid policy are to:

- Ensure the health and safety of all staff, pupils and visitors
- Ensure that staff and governors are aware of their responsibilities with regards to health and safety
- Provide a framework for responding to an incident and recording and reporting the outcomes

2. Equal Opportunities

Inclusion is at the centre of everything we do at English Martyrs. We recognise the varying needs of all our learners, staff, governors and visitors and so differentiate where necessary and as appropriate. Equal opportunities will be given to all children, staff, governors and visitors in respect of:

- Race
- Gender
- Culture
- Special Educational Needs

3. Legislation and guidance

This policy is based on the [Statutory Framework for the Early Years Foundation Stage](#) guidance, advice from the Department for Education on [first aid in schools](#), [health and safety in schools](#) and the following legislation:

- [The Health and Safety \(First Aid\) Regulations 1981](#), which state that employers must provide adequate and appropriate equipment and facilities to enable first aid to be administered to employees, and qualified first aid personnel
- [The Management of Health and Safety at Work Regulations 1992](#), which require employers to make an assessment of the risks to the health and safety of their employees
- The Management of Health and Safety at Work Regulations 1999, which require employers to carry out risk assessments, make arrangements to implement necessary measures, and arrange for appropriate information and training
- [The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations \(RIDDOR\) 2013](#), which state that some accidents must be reported to the Health and Safety Executive (HSE), and set out the timeframe for this and how long records of such accidents must be kept
- [Social Security \(Claims and Payments\) Regulations 1979](#), which set out rules on the retention of accident records
- [The School Premises \(England\) Regulations 2012](#), which require that suitable space is provided to cater for the medical and therapy needs of pupils

4. Roles and responsibilities

We endeavour to train all teaching and non teaching staff in first aid (this includes lunch time staff). All staff in Nursery and Reception hold a current paediatric first aid (PFA) certificate. 1 person with a full PFA certificate will be on site when Nursery and Reception children are present.

- The first aider will also decide whether the injured person should be moved or placed in a recovery position

If the first aider judges that a pupil is too unwell to remain in school, parents will be contacted and asked to collect their child. Upon their arrival, the first aider will recommend next steps to the parents.

If emergency services are called, the School Bursar, Mrs Delaney will contact parents immediately.

The first aider will complete an accident report form on the same day or as soon as is reasonably practicable after an incident resulting in an injury.
