### HEADTEACHER MESSAGE

Welcome back to the final summer term! I hope you all made the most of the long overdue, beautiful weather last week.

#### Parking

We have received an email from one of Lancashire County Council's Road Safety Officers, who has received several complaints from concerned residents and families regarding parents and carers parking dangerously at drop-off and pick-up times.

Thank you to all of you who park safely and consider the safety of our children, families and local residents. The Road Safety Officer will be visiting school to discuss what further measures we can take to promote safe parking and raise awareness of the issue.

#### Sports Day

Unfortunately, the glorious weather has not continued this week, and the forecast is not looking promising this week for Sports Day on Friday.

We have therefore had to make the difficult decision to cancel this week's event and are hoping to hold Sports Day on Friday 19th June, with the same timings as planned. We will keep you updated as the long-term forecast becomes clearer.

We appreciate that many parents and carers may have arranged time away from work to attend Sports Day, particularly as this is the second postponement. We are sorry for the inconvenience this causes and thank you for your understanding as we prioritise the safety and enjoyment of all children. We wish we had more control over the weather and appreciate your continued support.

#### OPAL play

Yesterday, staff were in school for a morning of professional learning about the impact of play and OPAL (Outdoor Play and Learning).

We discussed the feedback you shared in the parent surveys and how much you value the importance of play. We have a grounds meeting tomorrow to look at areas for improvement and will soon be sharing further information, including our 'OPAL Bingo' initiative and a range of resources to help us get started.

#### Summer term dates

This last summer term is an extremely busy one, with so much to look forward to and celebrate. Please check the dates at the bottom of the Wednesday Weekly to ensure you remain up to date with all upcoming events.

Best wishes

**Mrs Claire Jones**  
Headteacher

#### Attendance & Absence

We strongly encourage good attendance to support your child's learning and progress.

- If your child is unwell, please contact the school office by 9:00am on each day of absence.
- 01257 276688
- office@primrosehill-euxton.lancs.sch.uk

**Be specific:**  
It's important to give a clear reason – for example:

- ✓ "Tonsillitis" or "Sickness and temperature"
- ✗ Not just "unwell" or "poorly".

This helps us meet safeguarding and health requirements

#### Communicating with Us

office@primrosehill-euxton.lancs.sch.uk

Your message will be passed on to the relevant member of staff.

We aim to respond as soon as we can, but please allow up to 48 hours for a reply during term time.

For urgent matters during the school day, please phone the school office directly on: 01257 276688

#### If You're Concerned About Something...

We want to work in partnership with you. If you're ever worried or unhappy about a situation, please follow this order of contact, via the school office:

- Class Teacher** – your first point of contact
- Phase Leader** – if further support is needed:  
EYFS & Year 1 - Mr Danny Tooby  
Year 2 – Miss Amie Dobbs  
Years 3/4 – Mr Lloyd Davies  
Years 5/6 – Miss Molly Burns
- Assistant Headteacher** - Miss Amie Dobbs
- Deputy Headteacher** – Mrs Emma Swinburn
- Headteacher** – Mrs Claire Jones

We're here to help and will always do our best to resolve any concerns quickly and fairly.

#### Jewellery & Appearance

To keep everyone safe and focused on learning:

- No jewellery** – including earrings (studs/spacers), rings, bracelets, necklaces, loom bands, or wristbands
- No earrings or spacers** – these are a safety risk, especially during play and PE
- No nail varnish or make-up** – children should come to school with natural nails and faces

Thank you for your support!

## IMPORTANT INFORMATION

### One Way System

Just a reminder that the one-way system involves travelling down Primrose Hill Road, passing school on your left hand side and exiting left or right via Cedar Avenue and operates between the hours of 8.25am – 9.00am and 2.50pm – 3.20pm. By adopting this route, two exit points are available off the estate.

Please could you also refrain from parking on any yellow lines. They are there for everyone's safety.

## SIGNIFICANT CHANGES TO PENALTY NOTICE CHARGES

The DfE have recently announced national charges to penalty notices issues for unauthorised absences in term time, these came into effect on the 19th August 2024.

- Penalty notices issued for the offence after the 19th of August 2024 will be charged at the new rate of £160.00 however if paid in 21-days this reduces to £80.00.
- Any second penalty notice to the same parent for the same child in a rolling 3-year period will be issued at the rate of £160.00 to be paid within 28-days with no option for a discount.
- Penalty notice threshold is 10-sessions equivalent to 5-days of unauthorised absence in a rolling 10-school week period.
- Maximum of 2-penalty notices may be issued for the same child within a rolling 3-years period, so at the 3rd or subsequent offence another course of action will need to be considered such as prosecution or one of the other attendance legal interventions.

### Water safety – Important message for parents and schools

Following recent tragic incidents involving water, this is an important reminder of how quickly situations can change. As the weather gets warmer, more children and young people are spending time around rivers, lakes and the coast, increasing the risk of harm.

Even on hot days, open water can be dangerously cold, and conditions are often unpredictable.

Children and young people may not always recognise these risks, so it's vital that key safety messages are shared.

#### **Key water safety messages**

Please help reinforce the following advice with children and young people:

-  **Stop and Think:** Check for hidden hazards such as deep water, currents and cold temperatures
-  **Stay Together:** Never go into or near water alone; choose areas with lifeguards where possible
-  **Call 999 in an emergency:** Ask for the Coastguard at the coast, or Fire & Rescue if you are inland
-  **Float** – If you fall in, stay calm, float on your back and control your breathing

## Cold water shock

Many recent incidents have involved cold water. Even strong swimmers can be affected. Sudden immersion can cause panic, loss of breathing control and reduced ability to swim.

### If you fall into water:

- Try to stay calm: The effects of cold water shock usually pass within the first minute
- Float on your back to regain control of your breathing
- Once calm, call for help or swim to safety if possible

### A Life-saving skill: Float to Live

Teaching children how to float could save a life:

- Tilt your head back with ears in the water
- Relax and breathe slowly
- Move hands and feet gently to stay afloat

### In an emergency:

# What Parents & Educators Need to Know about ALLERGIES & ANAPHYLAXIS

An allergy is an overreaction of the immune system to a food or substance that's usually harmless. Symptoms can be mild, but for some people they can be very serious. This is known as anaphylaxis.

## HOW TO SAY ANAPHYLAXIS: ANA-FIL-AX-IS

### ALLERGIES AND ANAPHYLAXIS

- Mild allergy symptoms are treated with antihistamines.
- Anaphylaxis is treated with adrenaline, which is administered via an adrenaline device, injected into the outer upper thigh or using a nasal device.
- Anaphylaxis is a medical emergency and a threat to life.

### WHAT ADRENALINE DOES

Adrenaline reduces swelling, opens the patient's airways and raises their blood pressure. Patients must go to hospital for monitoring, as the reaction could return.

TWO DOSES:  
0.15 mg or 0.3 mg

### ANAPHYLAXIS SYMPTOMS

#### AIRWAY

Symptoms include swelling in the throat, tongue or upper airways; tightening of the throat; a hoarse voice; and difficulty swallowing.

#### BREATHING

Symptoms include persistent cough; sudden onset of wheezing; breathing difficulty; and noisy breathing.

#### CIRCULATION

Symptoms include pale and clammy skin; dizziness; feeling faint; sudden sleepiness; tiredness; confusion; and loss of consciousness.

In extreme cases of anaphylaxis, there could be a dramatic fall in the patient's blood pressure. The patient may become weak and floppy, and have a sense of something terrible happening. Any of the ABC symptoms listed above may lead to collapse and unconsciousness and, on rare occasions, be fatal.
