“Together We Will Make A Difference.”

HEADTEACHER MESSAGE

As you will already know, we had to make the difficult decision to postpone today’s Sports Day due to the unpredictable weather conditions and the already very wet grounds following the heavy rainfall overnight. We are very grateful for your understanding and support, particularly as we know how much the children look forward to this event. We are hopeful that our rearranged date on Friday 5th June will bring us some much-needed sunshine!

It is hard to believe that we finish for half term this Friday. School will reopen for pupils on **Wednesday 3rd June**, and we hope you are all able to enjoy a restful break, hopefully with some warmer and sunnier weather ahead.

The final half term of the academic year is always an incredibly busy one, with many events, visits and celebrations taking place. Please do continue to check the Wednesday Weekly carefully to keep up to date with important dates and information.

Finally, thank you for your continued support this half term and for ensuring your children attend school every day, ready to learn. We greatly value the positive partnership we share with our families and appreciate your ongoing trust and support.

Have a lovely holiday.

Best Wishes

Mrs Claire Jones
Headteacher

WORLD CUP ENGLAND SPECIAL LUNCH - WEDNESDAY 17TH JUNE 2026

We are having a ‘World Cup England’ Special Lunch on **Wednesday 17th June 2026**, which is open to all children. The menu is attached.

Please note: For children in EYFS, KS1 and children who are entitled to a free school lunch who usually bring a packed lunch but would like to have a ‘special dinner’ instead, you will need to inform the school office by the set deadline above as there is no payment item in ParentPay.

If your child is already on school lunches they will automatically receive this lunch.

SCOOTER SAFETY

We would like to kindly remind everyone about the use of scooters in the Year 1 area before and after school.

For the safety of all children, we ask that pupils **do not ride scooters—either school scooters or their own—within this area**. Riding scooters in such a busy space can lead to accidental injuries and may also cause damage to scooters and school equipment.

We also kindly ask that children's personal scooters are left at the scooter storage rack and are not brought into the Year 1 area.

Thank you for your continued support in helping us maintain a safe and secure environment for all.

NON-UNIFORM DAY - FRIDAY 22ND MAY 2026

Just a reminder that on Friday 22 May 2026, it is Non-Uniform Day.

Pupils can wear a colour that makes them happy — be the rainbow and brighten up the day!

Y6 ENTERPRISE DAY - WEDNESDAY 10TH JUNE 2026

On Wednesday 10th June, Year 6 will be holding their 'Enterprise Day' in school. Throughout the day, each class will have a chance to visit a range of stalls and games, each organised and ran by our Year 6's.

On the day, please send your child into school with between **£5 and £10 cash** to spend on the stalls (**no card is accepted and coins are encouraged!**) and a named carrier bag to put any prizes in they may win.

All money raised during the day will go towards our end of year trip to the FlowerBowl.

PRIMROSE HILL ART GALLERY - MONDAY 22ND JUNE 2026

I am delighted to introduce the very first **Primrose Hill Art Gallery!**

Every child in school has been working incredibly hard to create their own unique piece of artwork. These pieces are currently being professionally mounted and will return to school ready for display in our lower hall on **Monday 22nd June 2026**. The children will have the opportunity to view both their own creations and the work of others across the school.

Parents will also be invited to visit the gallery and admire the exhibits. Artwork will be available to purchase on the day for **£12**, with **£2 from each sale** going directly towards enhancing our art resources at Primrose Hill.

For those unable to attend, a pre-order option will be available. Further details, including timings and ordering information, will be shared in an upcoming Wednesday Weekly newsletter.

I am so excited for you all to see the stunning work created by our talented young artists!

GOLF COMPETITION

Well done to all the pupils who took part in the golf competition last week. The pupils worked incredibly hard in preparation for the competition and entered as a strong team; however, due to the weather, the event was cancelled halfway through. Nevertheless, well done to everyone — they represented the school brilliantly and should be very proud of their efforts.

OUT OF SCHOOL CLUB PRICE INCREASE

We would like to inform you that there will be a price increase for our Morning and After School Club from **Wednesday 3rd June 2026**. As a school, we always aim to keep our prices as low as possible to support families with the cost of living. However, due to significant increases in energy and food costs, we are unfortunately no longer able to absorb these rising expenses.

From this date, the cost per session for all pupils will be as follows:

- **Morning Club – £4.10**
- **After School Club – £9.10 (this includes a snack)**

If you have any questions or would like to discuss this further, please feel free to contact the school office.

What Parents & Educators Need to Know about ONLINE GROOMING

Online grooming is when someone builds a relationship with a child or young person online to gain their trust for the purpose of sexual abuse, exploitation, radicalisation, or criminal activity – such as county lines or financial scams. According to the NSPCC, police in the UK recorded over 7,000 offences involving sexual communication with a child in a single year – an increase of 89% since 2017/18.

WHAT ARE THE RISKS?

STRANGERS USING FAKE IDENTITIES

Groomers often pose as children or teenagers online to build trust. They may create convincing fake profiles, share photos stolen from real people, or mimic the interests of the child. By pretending to be someone their age, they make conversations feel safe and relatable. Over time, they may ask for personal details, photos, or suggest meeting in person, exposing children to significant emotional and physical harm.

EXPLOITATION THROUGH GIFTS AND FLATTERY

To gain trust quickly, groomers often send gifts, gaming credits, or money. Alongside material offerings, they use excessive compliments, affection, and attention to create emotional dependency. These tactics make children feel valued and special, lowering their defences. Once trust is secured, groomers may escalate their requests, often asking for photos or private conversations, making the child feel pressured or indebted to continue.

GROUP CHATS AS HIDDEN PATHWAYS

Unmonitored group chats on platforms like WhatsApp or Discord provide a cover for groomers. They can watch how children interact, identify those who seem vulnerable, and then move conversations into private messaging. This transition makes detection difficult for trusted adults. The seemingly harmless group setting often masks the presence of predators, giving children a false sense of security.

THE RISE OF SEXTORTION

Sextortion involves pressuring children into sharing explicit content, then blackmailing them for more. Offenders may claim to have hacked a child's device, threaten to share images with friends or family, or demand money. Many victims remain silent out of fear and shame. This growing crime is particularly dangerous because children often feel trapped, believing there's no safe way to escape the situation.

GAMING PLATFORMS AS GROOMING GATEWAYS

Games like Roblox, Fortnite, or Call of Duty, which include live chat features, are frequent targets for groomers. Conversations often begin casually during gameplay and can become manipulative over time. Groomers may offer in-game gifts, credits, or exclusive add-ons to build rapport. Children using headsets or private chat features are especially at risk, as conversations are harder for adults to monitor.

CRIMINAL & RADICALISATION RISKS

Grooming is not always sexual. Some offenders manipulate children into criminal activities such as drug running or online fraud. Others attempt to radicalise young people with extreme ideologies. Groomers often use fear, money, shame, or promises of belonging to control their victims. These forms of exploitation can be just as harmful as sexual grooming, and often leave lasting psychological and social consequences.

Advice for Parents & Educators

KEEP CONVERSATIONS REGULAR

Rather than having one "big talk" about online safety, weave conversations into everyday life. Ask questions about children's online friendships and interests. Share real-life examples to make discussions relatable and encourage honesty instead of secrecy. When children feel comfortable discussing their digital lives, they are far more likely to share concerns or admit when something feels wrong, reducing the chance of risky interactions going unnoticed.

CREATE A "TELL ME" CULTURE

Children often keep silent because they fear being punished or losing access to their devices. Reassure them that coming forward with concerns won't get them into trouble. Emphasise that you are there to help, not judge. Creating a safe, open environment encourages children to speak up if something feels wrong, and helps to ensure they don't suffer in silence when facing potential grooming risks.

UNDERSTAND THE PLATFORMS CHILDREN USE

Take time to learn about the apps, games, and social platforms children are on. Familiarise yourself with privacy settings, parental controls, and group chat features. Use resources like The National College guides or conduct quick searches to stay updated. By understanding how these platforms operate, you'll be better equipped to set boundaries, guide safe use, and notice any unusual or concerning online behaviour early.

STAY ALERT TO WARNING SIGNS

Be attentive to both behavioural and digital red flags. Sudden secrecy, mood swings, or new online contacts may signal a problem. Watch for unexplained gifts, new social media profiles, or changes in sleep patterns. Increased anxiety or reluctance to attend school can also be indicators. Regularly checking in and showing interest in those whom they communicate with online help prevent small issues from escalating into serious risks.
