"Together We Will Make A Difference."

HEADTEACHER MESSAGE

A Wonderful Week of Learning

It has been another lovely week of learning and experiences for our children. Both Year 4 classes had a wonderful time at Martin Mere last week, spending the day experiencing what life was like as an Anglo-Saxon. They learnt about foraging, protecting their camp, weaving, thatching and lots more. It was fantastic to see the children so engaged in their learning and making the most of this hands-on experience.

On Monday, Year 3 spent the day exploring what life was like during the Stone Age. They built dens in our woods, learnt how to light a fire, made jewellery and created some magnificent artwork. It was wonderful to see their creativity, teamwork and enthusiasm throughout the day.

Thank You for Supporting Our OPAL Play

I would also like to say a huge thank you to all of our families for the money raised through PTA events and donations last year. Your generosity is already making such a positive difference to our children's play experiences.

Thanks to your support, we are now able to provide a mud kitchen, stage and water wall for our whole-school OPAL play provision. We will share some photographs with you as soon as these have been built and installed, hopefully within the next couple of weeks.

Our next fundraising goal is to raise enough money to purchase six wooden huts for our OPAL 'village', at an approximate cost of £2,000.

Every donation, contribution and piece of sponsorship really does have a positive impact on every child in our school. These resources will provide our children with even more opportunities for imaginative, creative and collaborative play, and none of this would be possible without your support.

Thank you, as always, for helping us to make such a difference to our children's experiences at school.

Macmillan Coffee Morning

A huge thank you to everyone who joined us for our Macmillan Coffee Morning and to everyone who donated and supported this very special cause. Macmillan Cancer Support is a charity that has helped and supported so many of our own families and friends, so it was particularly lovely to see our school community come together to support them.

Thank you for your generosity and for helping us to raise money for such an important charity. The total raised was an amazing **£642.30!**

Best wishes,
Mrs Claire Jones
Headteacher

Jewellery & Appearance

To keep everyone safe and focused on learning:

• **No jewellery** – including earrings (studs/spacers), rings, bracelets, necklaces, loom bands, or wristbands

• **No earrings or spacers** – these are a safety risk, especially during play and PE

• **No nail varnish or make-up** – children should come to school with natural nails and faces

School dinner menus operate on a three week rotation, so please ensure you complete **all three weeks**, for each child.

HELLO YELLOW - WORLD MENTAL HEALTH DAY - FRIDAY 9TH OCTOBER 2026

Friday 9th October 2026 is **Hello Yellow**, a day organised by the charity **YoungMinds** to raise awareness of children and young people's mental health.

Pupils can support the day by wearing **something yellow** to school. Pupils should still attend school in their **normal uniform**, but they could add a yellow item such as **yellow socks, a yellow headband or another small yellow accessory**.

Classes will also take part in activities linked to Mental Health which may include: mindfulness activities, ways of building positive mental health, understanding our emotions and being brave and becoming resilient.

We look forward to seeing lots of yellow around school as we come together to promote positive mental health and wellbeing.

PARENT'S EVENING - MONDAY 12TH OCTOBER 2026

Parent's evening this term will be held on **Monday 12th October 2026**.

Appointments will be live on Arbor from **3pm on Friday 2nd October 2026** and will close at **3pm on Friday 9th October 2026**.

Please ensure you log in during this time to secure your preferred appointment slot. See the link below for help with this.

ANNUAL BOOK FAIR - WEDNESDAY 7TH OCTOBER TO TUESDAY 13TH OCTOBER 2026

We have our annual book fair visit on **Wednesday 7th October to Tuesday 13th October 2026**. The fair will operate in the lower hall from **3.15pm to 3.35pm**.

For every book purchased a certain amount of money comes to the school, meaning we can order more books for our pupils. We really do hope you can support us with this – thank you!

HARVEST FESTIVAL DONATIONS

Any Harvest donations can still be dropped off at the office or with either of the Year 3 classes.

Please ensure that any **“cupboard essentials”** donated are as non-perishable as possible and have a long shelf life.

We kindly ask that all donations are made **before Friday 2nd October**, as they will be displayed as part of the Harvest Assembly.

Thank you in advance for your kindness and generosity.

The draw will take place on **Monday 7th December 2026** and the winners will be announced in the Wednesday Weekly on the **9th December 2026**. Half the money raised goes to the PTA and the other half is split 60/40.

Good Luck!

PTA AUTUMN EVENTS

We've got an exciting few weeks lined up for the children with some seasonal events and activities! Our ever popular Halloween Discos will be held on the **21st October 2026** this year and we can't wait to see the children having fun! Full details for each year group are on the posters attached.

After the discos it's time for a cosy day to wind down to half term - come dressed in autumn colours or your comfiest clothes and enjoy the changes to the season! Payment on ParentPay or cash on the door.

We're also running our pumpkin decorating competition again this year, with a prize for 1 child in each year group for the most creative design!

Unfortunately, we have seen a decline in payments for events that take place in school - for the last non uniform day we received payments for less than half of the children. This money is vital for us to be able to continue to support events in school like Rock Kids, and to make purchase such as ties and book bags that go directly to the children. We ask for your continued support with this so that we can ensure these events can continue to go ahead.

This term we are focussing on raising funds to support the expansion of OPAL Play - the scheme has been a massive success already but does need ongoing financial input to develop and maintain the provision. The PTA are keen to support school with this and are working closely together to purchase equipment and supplies that can be enjoyed by all of the children.

If you would like to get involved or want to follow us for updates, please find our Facebook page '**Euxton Primrose Hill PTA**'

Reminders And To Do

Nut and Allergy Awareness

As we cannot guarantee that our school environment is completely free from nuts, we ask all families to help us reduce the risk to children and adults with nut allergies.

Please do not send snacks or food products containing nuts into school, including products such as Nutella, Reese's and Kinder Bueno.

Thank you for your support in helping us maintain a safe and inclusive environment for everyone.

What Parents & Educators Need to Know about CHARACTER.AI

Character.AI is an entertainment platform where users create and chat with AI-powered characters. These chatbots can act like existing favourite characters from movies or books, or like friends, mentors, or even romantic partners, responding in an emotional, personally engaging way. Although this can encourage creativity, it can also make a generated conversation feel like a genuine relationship, which is concerning if it takes the place of human relationships.

WHAT ARE THE RISKS?

INAPPROPRIATE CONTENT

AI replies are generated in real time rather than chosen from a fully checked script. Even with safety filters on, conversations can still move into sexual, violent, discriminatory, or self-harm material. These AI characters are often made by users, so a familiar name or child-friendly description does not guarantee that every response from the character will be suitable for a young person.

BLURRED BOUNDARIES

Characters on Character.AI can use the language of friendship, love, and empathy without ever feeling anything. Vulnerable young people may struggle to separate this simulation from genuine understanding. Romantic role-play or a character that demands attention, loyalty, or secrecy could also risk distorting young people's expectations around consent, disagreement, and the give-and-take involved in healthy human relationships.

UNRELIABLE ADVICE

Characters, like other chatbot platforms, are at risk of inventing facts or giving inappropriate advice while sounding completely confident. Characters may also echo a young person's assumptions instead of questioning them. This can become particularly risky when users rely on a character for guidance about health, mental wellbeing, relationships, money, or personal safety instead of checking with a credible source or trusted adult.

EMOTIONAL DEPENDENCY

Character.AI chatbots can appear endlessly attentive, supportive, and affectionate, which is one of the hallmarks of the generative AI models that such companions are built on. A young person may start turning to a character chatbot whenever they feel lonely or upset and believe that it understands them better than the humans in their life. This can become more concerning when chatting starts to replace sleep, schoolwork, hobbies and friendships.

PRIVACY CONCERNS

Character.AI chats may feel private, especially when a bot sounds personal and caring, but they take place on a company's online systems. Users could intentionally or unintentionally reveal their name, school, location, routines, images, or intimate concerns. Character.AI says some data may be retained to improve its services and AI models, so young people should never treat a chatbot like a confidential diary.

UNHEALTHY ENGAGEMENT

Be aware of warning signs such as secret accounts, bypassing age restrictions, hiding phone use from adults, chatting late at night, distress when access to the platform or character stops, withdrawal from other people, falling interest in school, or believing the character is conscious. Increased use may also signal that the young person is already lonely, anxious, or seeking help.

Advice for Parents & Educators

KEEP CONVERSATIONS OPEN

Ask what the young person enjoys about Character.AI and invite them to show you how the platform and their favourite characters work. Useful questions include, "Has it ever said something that felt wrong?" and "How can you tell it doesn't have feelings?" Avoid shaming them for using platforms like Character.AI or making them feel there is something wrong with them for doing so.

PAUSE, CHECK AND ASK

Teach young people to pause before accepting an answer from characters on Character.AI. Encourage them to check important claims against a trustworthy source and ask a safe adult when the issue matters. Never use a character as the sole source of medical, mental health, legal, financial, or safeguarding advice. Remind them not to share passwords, contact details, school information, live locations, or private images.

CHECK AGE, SETTINGS & LIMITS

Character.AI's minimum age is 16 in the UK, but open-ended companion chat is restricted to adults aged 18 or over. Users aged 16 to 17 receive a different experience built around guided 'Stories' and other creative or social features. Check their current settings, never help or encourage a young person to give a false age, and apply the same safety rules to other chatbot apps.

NOTICE AND RESPOND

Take action if chats involve sexual content, threats, coercion, abuse, self-harm or danger. Save relevant evidence, report the character and follow the setting's safeguarding process; educators should involve the designated safeguarding lead. If anyone is in immediate danger, contact emergency services. Childline is available on 0800 1111 and the NSPCC Helpline on 0808 800 5000.
