"Together We Will Make A Difference."

HEADTEACHER MESSAGE

Meet the Teacher

Thank you to everyone who was able to attend our 'Meet the Teacher' sessions on Monday afternoon. We hope you found them useful and informative and enjoyed meeting your child's new teacher.

We also had a fantastic turnout for our EYFS to Year 1 transition meeting on Monday evening. Thank you to everyone who was able to take the time to attend. We know that the move from EYFS to Year 1 is a significant transition, with a different curriculum and classroom experience, so we feel it is important to spend time sharing this with you.

Rocksteady Concerts

We have been blown away over the last two days by our first Rocksteady concerts and the incredible talent of our children. Just a few months ago, many of our children had never played a guitar, keyboard or drums. Now, they have performed in full bands with singers, keyboard players, drummers, singers and guitarists in front of a hall full of children and parents. Everyone was clapping and cheering along, and we could not be prouder!

If your child would like to join one of the Rocksteady bands, please email the school office and we will be happy to share Rocksteady's details with you.

Teddy Bears' Picnic

We had a wonderful time yesterday afternoon welcoming our new EYFS pupils for September to school for a Teddy Bears' Picnic on the field. It was lovely to see families getting to know one another and to watch our new starters playing so happily together. We are all looking forward to welcoming them to our school in September.

Sports Kit Sponsorship

We have had a fantastic response from those of you who have offered to sponsor sports kits – thank you so much! Mrs Clements will now be working through the offers to match companies with different kits and will be in touch with those involved.

OPAL Play

Do you work for, or know anyone who works in, traffic management who could donate traffic cones, safety barriers or road signs? If so, please contact the school office. These would be hugely appreciated and will help us to develop our exciting new OPAL playtimes from September.

Finally, – if you are watching it later, enjoy the football!

Best wishes,

Mrs Claire Jones
Headteacher

EARRINGS POLICY

ICE CREAM DAY TREATS

A big thank you to Mr Grimshaw who kindly donated all the ice cream from Wallings for the children to enjoy as a special treat last Wednesday.

The children thoroughly enjoyed their ice creams, and it was such a welcome refreshment during the hot weather we've been having. We are incredibly grateful for Mr Grimshaw's generosity and kindness in helping to make the day so special for everyone.

TABLE TOP BOOK SALE - WEDNESDAY 15TH & THURSDAY 16TH JULY 2026

We are holding two more tabletop book sales after school outside the library in exchange for donations on Wednesday 15th & Thursday 16th July 2026.

Our books may be pre-loved, but they still have plenty of stories to share! We would be grateful for any donation you are able to make, no matter how small.

All funds raised will go towards continuing to improve our library, helping us create the calm, cosy and welcoming space our pupils deserve.

We hope to see you there!

LIBRARY BOOKS - REMINDER

Please could we ask that **all library books** are returned to school by the **end of term on Friday 17 July 2026**.

Thank you for your co-operation.

SOCKER CHALLENGE - CHORLEY FOOTBALL CLUB

We are delighted to let you know that 3 of our pupils will be taking part in an exciting world record attempt at Chorley Football Club on Sunday 19 July 2026.

The event will raise money and awareness for Down Syndrome International and High Five Lancashire, a local charity that supports children with Down syndrome and disabilities, as well as their families.

The challenge is to set a new world record for the number of socks kicked into washing machines within one hour. There will be 21 washing machines in total, with the number 21 chosen to represent the extra copy of chromosome 21 associated with Down syndrome. A poster containing further information is attached.

AFTER SCHOOL CLUB

The children in the after-school club have been learning the art of French knitting. They have thoroughly enjoyed challenging themselves to see how long they can make their knitted cords, demonstrating great patience, perseverance, and creativity as they develop their new skills. What Parents & Educators Need to Know about SKIN BETTING

WHAT ARE THE RISKS?

'Skin betting' is the term used when players gamble using virtual in-game items, such as weapon 'skins' or character cosmetics. Although these items appear purely decorative, some can hold significant real-world value. Research suggests that children as young as 13 have engaged in this type of betting, often on sites with limited age checks or safeguards, blurring the line between gaming and gambling.

UNREGULATED PLATFORMS

Skin gambling typically takes place on third-party websites that are not licensed or regulated. These platforms often lack age verification, making them easily accessible to children. By linking their gaming accounts, users can deposit skins, place bets, and withdraw winnings as cash or higher-value items – often without adults being aware these activities are happening.

REAL-WORLD VALUE

Skins may look like simple cosmetic upgrades to in-game items and characters, but some are worth hundreds or even thousands of pounds. They can be traded or sold on online marketplaces, meaning they function much like real money. When young people bet with skins, they are risking items of genuine financial value, even if no physical cash is exchanged directly.

INFLUENCER PROMOTION

Some gaming influencers and streamers have promoted skin betting sites in their content. This can make the behaviour appear normal or even desirable, potentially encouraging younger audiences to engage in these activities without fully understanding the risks involved.

SOCIAL STATUS PRESSURE

In games such as Counter Strike: Global Offensive (CS:GO) and Fortnite, rare skins can act as status symbols. Young players may feel the pressure to own high-value items to fit in with peers. This can lead them to take risks – such as using gambling sites – to obtain desirable skins, similar to how branded goods can influence behaviour offline.

LIMITED OVERSIGHT

Skin betting can take place both in-game and on external websites that parents and educators may not be familiar with. Because skin betting does not always resemble traditional gambling, it can go unnoticed until significant losses have occurred, in both items or money.

GATEWAY BEHAVIOURS

Skin betting mirrors many aspects of traditional gambling, including chance-based outcomes, reward systems and excitement. Early exposure to these mechanics can normalise betting behaviours before children and young people even reach legal gambling age. Research indicates that this may increase the likelihood of developing unhealthy habits later, particularly if early wins create a false sense of control or skill.

Advice for Parents & Educators

UNDERSTAND IN-GAME ITEMS

Familiarise yourself with the games young people are playing and learn whether they include tradable or sellable items. Titles like CS:GO and Rust are known for skin marketplaces, but similar systems are increasingly common across games.

DISCUSS VALUE AND RISK

Help children and young people understand that cosmetic items like skins can carry real-world value. Explain that losing them through betting is comparable to losing money, therefore reinforcing the connection between in-game actions and real financial consequences.

LOOK FOR WARNING SIGNS

Be alert to changes in behaviour, such as secrecy around gaming, a strong focus on acquiring specific skins, or a sudden loss of in-game items. These could indicate involvement in skin gambling and provide an opportunity to start a conversation about it.

USE CONTROLS AND SAFEGUARDS

Make use of parental controls and platform settings to restrict trading, purchases, and access to external websites. Where possible, disable marketplace features on games and monitor young people's account activity to reduce the risk of unauthorised transactions.

FREE BREAKFAST FOR SUMMER: MORRISONS AND KELLOGG'S TEAM UP TO FEED FAMILIES

- ‘Breakfast Clubs’ are back to help kids and grown-ups enjoy a free Kellogg’s breakfast during the summer holidays at all Morrisons Cafés nationwide –**
- Initiative aims to ease money worries during school holidays –**
- New research reveals that parents will begin to feel the financial ‘pinch’ around week three of the summer break –**

Morrisons and Kellogg’s have announced the return of their school holiday ‘Breakfast Clubs’, offering free meals to families across the UK to help ease the financial pressure over the summer holidays.

As schools close for the summer holidays, many parents face a financial pinch, with new research from Morrisons showing that more than half (54%) of parents feel the strain during the long summer period. In fact, “week three” of the school holidays is the critical tipping point where the financial impact is most acutely felt by households.

Almost half (48%) of parents also confessed they have been forced to skip meals entirely just to make ends meet and ensure their child does not go without – with breakfast being the number one thing cut from the menu.

Families visiting their local Morrisons Café throughout the summer holidays can enjoy a free ‘Kellogg’s Breakfast’, which includes a bowl of cereal and a portion of fruit. The best part, it’s not just for kids, adults get to eat completely free too.

Both kids and adults can choose from much-loved favourites Corn Flakes or Rice Krispies, topped with their choice of dairy or non-dairy milk and a free apple or banana.

The summer holiday offer will be available from 29th June to 6th September across all Morrisons Cafes nationwide*.

The research also highlighted that alongside the financial strain, parents are also dealing with the repetitive demands of children at home during the holidays. Parents reported hearing the following phrases every day of the school holidays (between at least 1-5 times a day) – driving up the pressure to entertain, as well as keeping them fed:

- “Can I have a snack” - 44%
- “What are we doing today” - 43%
- “I’m hungry” - 40%
- “Can I play on my iPad / phone / console?” - 36%
- “I’m bored” - 31%
- “Are we there yet?” - 28%
- “Can I have a playdate” - 22%

By reopening the ‘Breakfast Clubs’ across the school summer holidays, when term-time clubs do not run, Morrisons and Kellogg’s are providing families with a welcoming space to enjoy a balanced breakfast together, helping to ease financial strain and rumbling tummies, while a trip to the local supermarket will help keep kids entertained.

Matt Khan, Senior Trader for Morrisons Café, said: “We know that when schools close for the summer, family budgets get stretched to the absolute limit. Losing that daily routine makes it a challenging time for parents and grandparents. By teaming up with Kellogg’s, we want to take some of that pressure off by offering a welcoming space where families can sit down and enjoy a healthy, proper breakfast together, completely free of charge.”

Andrew Ridge, Social Impact Manager at Kellogg’s, said: “Kellogg’s has been funding school breakfast clubs, with cash grants, for nearly 30 years because we know how vital they are to a child’s day. When schools close for the holidays, that crucial support disappears, and many families are left feeling the pinch. That’s why we’re

incredibly proud to partner with Morrisons to keep those breakfasts coming all summer long, exactly when parents need the extra help most."

To help keep little shoppers entertained while families enjoy their time in the Café, each 'Kids' Corner' is stocked with books and crayons. Over the summer, Morrisons Cafés will also have new activity sheets featuring colouring activities and word search.

Families can take advantage of the offer every day during all school holidays in 2026* at Morrisons Cafés nationwide. In addition to the Kellogg's Breakfast offer, Morrisons popular Kids Eat Free offer will also continue to run in all of its Cafés, allowing families to enjoy a free meal and drink for one child aged 16 or under when they purchase an adult main meal costing over £5 from The Breakfasts and The Classics menu.
